Made in

Italy Grace Lees-Maffei, Kjetil Fallan, 2013-11-21 Goods made or designed in Italy enjoy a profile which far outstrips the country's modest manufacturing output Italy's glorious design heritage and reputation for style and innovation has added value to products made in Italy Since 1945 Italian design has commanded an increasing amount of attention from design journalists critics and consumers But is Italian design a victim of its own celebrity Made in Italy brings together leading design historians to explore this question discussing both the history and significance of design from Italy and its international influence Addressing a wide range of Italian design fields including car design graphic design industrial and interior design and ceramics well known designers such as Alberto Rosselli and Ettore Sottsass Jr and iconic brands such as Olivetti Vespa and Alessi the book explores the historical cultural and social influences that shaped Italian design and how these iconic designs have contributed to the modern canon of Italian inspired goods

Design Discourse Victor

Margolin, 1989-09-15 The editor has gathered together a body of writing in the emerging field of design studies The contributors argue in different ways for a rethinking of design in the light of its cultural significance and its powerful position in today's society The collection begins with a discussion of the various expressions of opposition to the modernists purist approach toward design Drawing on postmodernist theory and other critical strategies the writers examine the relations among design technology and social organization to show how design has become a complex and multidisciplinary activity The second section provides examples of new methods of interpreting and analysing design ranging from rhetoric and semiotics to phenomenology demonstrating how meaning is created visually A final section related to design history shifts its emphasis to ideological frameworks such as capitalism and patriarchy that establish boundaries for the production and use of design

Industrial Design and Artistic Expression Barbara Pasa,2020-03-09 The complex nature of industrial design which combines functional and aesthetic elements allows different modes of protection cumulative separate or partially overlapping regimes are applicable according to different legal systems The legal framework is rapidly changing especially in Europe where the principle of cumulation of a special sui generis regime for protecting industrial design with copyright rules has been established In the last decade national courts of some Member States conferred to the cumulative regime a peculiar meaning other courts enforced design rights in line with the interpretation given by the Court of Justice of the EU The copyright design interface is presented here to a wider non specialist audience taking as a starting point the notion of industrial design derived from design studies on the border between art and science

The Golden Age of Italian Jews: 1848-1938 Gino Segrè,2025-08-12 With this fine book Gino Segr weaves together the history of the golden era for Italian Jews dating from its optimistic beginning in Piedmont in 1848 to its bitter end less than 100 years later with the rise of fascism and the 1938 passage of the Racial Laws Written with his customary style and warmth sense of history and penetrating irony and using the often moving stories of individual lives many of them drawn from his own distinguished family tree Segr brings to this story of his own deep and abiding roots an important cultural and political history with many lessons for our own times Judith R Goodstein author of Einstein s Italian Mathematicians Ricci Levi Civita and the Birth of General Relativity The Golden Age of Italian Jews by Gino Segr covers the nine decades from 1848 to 1938 during which Italian Jews rose from their socially constrained ghetto life to acquire full civil rights and eventually to occupy commanding positions in Italian society Never more than one tenth of one percent of the total Italian population Jews became army generals mayors of major cities prime ministers foreign secretaries and high ranking university professors Segr explains what made this meteoric rise possible relating how Jews negotiated their futures with a three step process seizing opportunities to gain acceptance excelling in their trades and professions and often successfully assimilating into the upper strata of Italian society By the early twentieth century Jews were integral to Italian life but all of their progress came to a sudden cataclysmic end in 1938 with the institution of Italy s racial laws by the fascist government Segr includes several illustrative anecdotes from his family s history One tells of his great grandfather Marco Treves who was born in 1814 Treves became an architect a career path previously closed to Jews he worked in Rome and Paris before settling in Florence There ever a pious Jew he reached the pinnacle of his career designing the city s grand new synagogue and

cemetery His favorite daughter the author s grandmother Amelia Treves Segr was caught in a 1943 Nazi roundup in Rome and transported to Auschwitz where she died Clear and concise **The Golden Age of Italian Jews** conveys the dramatic rise and brutal fall of Jews in Italy It is a poignant and important story **THE HISTORY OF ITALO DISCO** Francesco Cataldo Verrina,2015 Italian Dominance On The Dance Culture Of 80 s The only book in the world that tells the true story of Italian disco music through the artistic events of the most representative characters with interviews statements and news unpublished **The Oxford Handbook of the Italian Economy Since Unification** Gianni Toniolo,2013-03-07 The Oxford Handbook of the Italian Economy Since Unification provides for the first time a comprehensive quantitative new economic history of Italy **The Biomedical Engineering Handbook 1** Joseph D. Bronzino,2000-02-15 Ecological Reparation Dimitris Papadopoulos,Maria Puig de la Bellacasa,Maddalena Tacchetti,2023-12-01 How do we engage with the threat of social and environmental degradation while creating and maintaining liveable and just worlds Researchers from diverse backgrounds unpack this question through a series of original and committed contributions to this wide ranging volume The authors explore practices of repairing damaged ecologies across different locations and geographies and offer innovative insights for the conservation mending care and empowerment of human and nonhuman ecologies This ground breaking collection establishes ecological reparation as an urgent and essential topic of public and scholarly debate
