Itar Manual:

SBIR GUIDE: Department of Defense SBIR Phase I Proposal Preparation Manual Ed Bard, 2020-01-17 Newly updated for 2020 DoD SBIR Release The purpose of this book is to guide you through the DoD SBIR program and make your proposal creation easier compliant and increase your success probability My intent is that you will effectively Understand the DoD SBIR program Learn my method for getting solicitation topics tailored to the problem you solve Create a compliant and standout proposal with the aid of real world sample proposal components Understand the process of contracting Position your project for a follow on Phase II contract This book provides a practical step by step process to get you from a concept to an actual proposal while arming you with the knowledge needed to successfully execute and position yourself for a Phase II award The sequential chapters allow one to 1 Understand the basics of the program and answer the pressing questions you may have such as a Am I eligible b What do I give up c Who owns the intellectual property 2 Complete all required entity registrations prior to proposal submission 3 Introduction to the BAA and topic solicitations 4 Present my method for getting a potential solicitation created for your solution 5 Learn about the role and requirements of the principal investigator 6 Detailed and step by step instructions on proposal generation to include requirements tips formats and a sample of the sections 7 How to upload your proposal into the DoD SBIR portal 8 Provide our history of contracting so you are better prepared 9 I provide some recommendations on executing your Phase I project to better position your project for Phase II consideration 10 Finally a glossary to help navigate all relevant acronyms For more information and resources visit us at www.sbirguide.com **United States Export Controls** John R. Liebman, Roszel Cathcart Thomsen, James E.

Bartlett, 2011-11-22 There should be no question in the mind of any exporter about the government's intention to enforce applicable legislation and regulations The penalties imposed by export laws and regulations are severe Violations often lead to heavy fines and in serious cases to debarment from contracting with the U S Government and possibly imprisonment Additionally the privilege of exporting can be withdrawn from firms or individuals who have violated the regulations either for specified periods or indefinitely Ample resources are devoted by the government to the detection and prosecution of violators The Departments of Defense Commerce Homeland Security Justice and the several intelligence agencies cooperate in this endeavor Knowing and willful violations receive of course the heaviest sanctions but unintentional violations are by no means exempt from penalties Parties to an export transaction are expected to know and comply with the regulations United States Export Controls Sixth Edition provides a reference to which exporters and those who work closely with them can refer in their daily business operations in order to comply with the myriad export rules and regulations Thorough knowledge of the regulations is essential in finding practical solutions to export licensing problems related to specific transactions in formulating export marketing plans to minimize the impact of controls and in the organizing company resources to deal correctly and efficiently with both the legal requirements and the day to day operational demands of the export control
