High Cost of Free Parking Donald Shoup, 2021-02-25 Off street parking requirements are devastating American cities So says the author in this no holds barred treatise on the way parking should be Free parking the author argues has contributed to auto dependence rapid urban sprawl extravagant energy use and a host of other problems Planners mandate free parking to alleviate congestion but end up distorting transportation choices debasing urban design damaging the economy and degrading the environment Ubiquitous free parking helps explain why our cities sprawl on a scale fit more for cars than for people and why American motor vehicles now consume one eighth of the world s total oil production But it doesn t have to be this way The author proposes new ways for cities to regulate parking namely charge fair market prices for curb parking use the resulting revenue to pay for services in the neighborhoods that generate it and remove zoning requirements for off street parking

The High Cost of Free Parking Donald Shoup, 2017-10-20 One of the American Planning Association s most popular and influential books is finally in paperback with a new preface from the author on how thinking about parking has changed since this book was first published In this no holds barred treatise Donald Shoup argues that free parking has contributed to auto dependence rapid urban sprawl extravagant energy use and a host of other problems Planners mandate free parking to alleviate congestion but end up distorting transportation choices debasing urban design damaging the economy and degrading the environment Ubiquitous free parking helps explain why our cities sprawl on a scale fit more for cars than for people and why American motor vehicles now consume one eighth of the world s total oil production But it doesn t have to be this way Shoup proposes new ways for cities to regulate parking namely charge fair market prices for curb parking use the resulting revenue to pay for services in the neighborhoods that generate it and remove zoning requirements for off street parking Such measures according to the Yale trained economist and UCLA planning professor will make parking easier and driving less necessary Join the swelling ranks of Shoupistas by picking up this book today You ll never look at a parking spot the same way again *Journal of Transportation and Statistics* ,2003

Provides a forum for the latest developments in transportation information and data theory concepts and methods of analysis relevant to all aspects of the transportation system Publishes original research on the use of information to improve public

and private decisionmaking for transportation *Shared Parking Planning Guidelines* ,1995 **Paved Paradise** Henry Grabar, 2024-05-07 Shortlisted for the Z calo Book Prize Named one of the best books of the year by The New Yorker and The New Republic Consistently entertaining and often downright funny The New Yorker Wry and revelatory The New York Times A romp packed with tales of anger violence theft lust greed political chicanery and transportation policy gone wrong highly entertaining The Los Angeles Times An entertaining enlightening and utterly original investigation into one of the most quietly influential forces in modern American life the humble parking spot Parking quite literally has a death grip on America each year a shocking number of Americans kill one another over parking spots and we routinely do ri diculous things for

parking contorting our professional social and financial lives to get a spot Since the advent of the car we have deformed our cities in a Sisyphean quest for car storage and as a result much of the nation s most valuable real estate is now devoted to empty vehicles Parking determines the design of new buildings and the fate of old ones traffic patterns and the viability of transit neighborhood politics and municipal finance and the overall quality of public space Is this really the best use of our finite resources Is parking really more important than everything else In a beguiling and absurdly hilarious mix of history politics and reportage Slate staff writer Henry Grabar brilliantly surveys the nation s parking crisis revealing how the compulsion for car storage has exacerbated some of our most acute problems from housing affordability to the accelerating global climate disaster and ultimately how we can free our cities from park ing s cruel yoke **HOV Facilities and**
