Light Touch How To Use Humor For Business Success:

The Light Touch Malcolm L. Kushner,1990-06-01 *The Psychology of Humor at Work* Christopher Robert,2016-12-19

This is the first book to look at the psychological processes that enable humor to affect people and teams in the workplace It recognizes that humor plays many roles beyond making people feel happier and more productive and acknowledges humor's potential darker side as well Bringing together a small but growing field of study the book features chapters around core psychological topics such perception creativity and stress while also addressing organizational issues such as leadership teamwork and social networks The collection concludes with chapters on the role of humor in recruitment processes as well as how humor consultants work with organizations Each chapter in *The Psychology of Humor at Work* not only provides a comprehensive review of what is known in that area but also considers future directions for research and practice It will prove fascinating reading for students practitioners and researchers in organizational psychology HRM and business and management

Secrets of Connecting Leadership and Learning With Humor Peter M. Jonas,2004-08-11 Here is a researched based book in which author Peter Jonas explores how humor can enhance both leadership performance and improve the learning environment Jonas attempts to use research and brain based concepts to build a theoretical foundation and then provides practical components for connecting leadership learning and humor Individuals need to understand the theoretical nature of leadership before they can translate the concepts into practice on a daily basis The same is true for humor The main theme of the book is that the proper use of humor will not only increase learning comprehension but it can be used as an important tool for leaders to enhance their effectiveness Throughout the book Jonas has interjected humorous jokes stories puns exercises activities expressions etc in order to show specific examples to provide the reader with material that can be used in leadership situations and the classroom The materials in the book can be learned saved for later or copied for immediate use Moreover each chapter is fun to read and contains practical points and examples of how to integrate humor into daily leadership activities and lesson plans For teachers and leaders or anyone in the field of education
