Linking Environment Democracy And Gender Research In Political Sociology:

Politics and Public Policy Barbara Wejnert, 2012-12-17 This volume highlights the ways in which scholarly analysis has contributed to a rich understanding of the links between spreading democracy gender equality and environmental protection It includes cutting edge debates on the meaning of democracy and its development as well as the response of democracies to environmental and gender concerns

Women, Peace and Security in Nepal Åshild Kolås, 2017-07-06 This book sheds new light on the important but diverse roles of women in the decade long civil war in Nepal 1996 2006 and the equally long post conflict reconstruction period 2006 16

Elgar Encyclopedia of Environmental Sociology Christine Overdevest, 2024-04-12 The Elgar Encyclopedia of Environmental Sociology serves as a repository of insight on the complex interactions challenges and potential solutions that characterize our shared ecological reality Presenting innovative thinking on a comprehensive range of topics expert scholars researchers and practitioners illuminate the nuances complexities and diverse perspectives that define the continually evolving field of environmental sociology

Gender and the Environment Nicole Detraz, 2016-12-20 Climate change natural disasters and loss of biodiversity are all considered major environmental concerns for the international community both now and into the future Each are damaging to the earth but they also negatively impact human lives especially those of women Despite these important links to date very little consideration has been given to the role of gender in global environmental politics and policy making This timely and insightful book explains why gender matters to the environment In it Nicole Detraz examines contemporary debates around population consumption and security to show how gender can help us to better understand environmental issues and to develop policies to tackle them effectively and justly Our society often has different expectations of men and women and these expectations influence the realm of environmental politics Drawing on examples of various environmental concerns from countries around the world Gender and the Environment makes the case that it is only by adopting a more inclusive focus that embraces the complex ways men and women interact with ecosystems that we can move towards enhanced sustainability and greater environmental justice on a global scale This much needed book is an invaluable guide for those interested in environmental politics and gender studies and sets the agenda for future scholarship and advocacy

Political and Military Sociology Neovi M. Karakatsanis, Jonathan Swarts, 2015-11-09 This volume encompasses a wide range of empirical research on a variety of topics that are related by their focus on the importance of attitudes culture and perceptions The significance of public attitudes the impact of cultural norms and the perceptions of military officers and civilians are all analyzed in the seven articles in this latest edition of Political and Military Sociology The first essay asserts that military memoirs should be taken seriously as objects of scholarly analysis Using the Minorities at Risk Dataset the second article examines the effects of globalization on ethnic conflict in 106 countries from 1985 to 2002 The next focuses on Canadian attitudes toward military expenditures following the September 11th terrorist attacks The fourth examines the attitudes of Texans toward recent US wars the draft

and military service generally The fifth essay explores the role of the media in promoting democracy and democratic attitudes in southern Africa Using survey data the following article addresses the extent to which higher education promotes more tolerant attitudes among Israeli Jews toward Israeli Arabs The volume concludes with a study of US warrant officers that shows how the rank has evolved over time Systemic Inequality, Sustainability and COVID-19 Seela Aladuwaka, Barbara Wejnert, Ram Alagan, 2022-05-30 Systemic Inequality Sustainability and COVID 19 provides an opportunity to engage in a critical dialog on the consequences and interactions of COVID 19 with social inequalities and environment management *Political Sociology - The State of the Art* Subrata K. Mitra, Malte Pehl, Clemes Spiess, 2009-12-09 The World of Political Science New volumes The book traces the disciplinary development of political sociology and the transdisciplinary research into the overlapping issues involving politics and society The contributions cover overviews of the history methodological and theoretical development of this academic discipline Successes as well as failures in past unexplored areas and salient issues in ongoing research are also highlighted From the Contents Subrata K Mitra and Malte Pehl Taking Stock of Political Sociology Dirk Berg Schlosser Political Culture at a Crossroads Kay Lawson and Mildred Schwartz Parties Interest Groups and Social Movements Shall Change be Mid wife to Truth Eva Etzioni Halevy Socio Political Inequalities Elites Classes and Democracy Prakash Sarangi Contemporary Approaches to the Study of the State Jan van Deth Political Sociology Old Concerns and New Directions Political Consumerism ,2005 *Transitions Environments Translations* Joan W. Scott, Cora Kaplan, Debra Keates, 2013-10-18 The essays in Transitions Environments Translations explore the varied meanings of feminism in different political cultural and historical contexts They respond to the claim that feminism is Western in origin and universalist in theory and to the assumption that feminist goals are self evident and the same in all contexts Rather than assume that there is a blueprint by which to measure the strength or success of feminism in different parts of the world these essays consider feminism to be a site of local national and international conflict They ask What is at stake in various political efforts by women in different parts of the world What meanings have women given to their efforts What has been their relationship to feminism as a concept and as an international movement What happens when feminist ideas are translated from one language one political context to another *The Politics of Inequality* David Pettinichio, 2021-07-19 For its breadth and depth of research this volume of Research in Political Sociology is essential reading for researchers and students of Politics Sociology and Policy *Yearbook of International Organizations 2005/2006* ,2005-06 For the Yearbook of International Organizations the most up to date and comprehensive reference to international organizations the UIA has selected the most important 31 086 organizations from its extensive database of current and previous organizations Yearbook provides profiles of 5 546 intergovernmental and 25 540 international non governmental organizations active in nearly 300 countries and territories in the world today Organization descriptions listed in Volume 1 are numbered sequentially to facilitate quick and easy cross referencing from the other Yearbook Volumes Users can refer to

Gender in the Political Science Classroom Ekaterina M. Levintova,Alison Kathryn Staudinger,2018-07-12 A collection of studies examining the role of gender in teaching and learning in the traditionally male dominated field of political science Gender in the Political Science Classroom looks at the roles gender plays in teaching and learning in the traditionally male dominated field of political science The contributors to this collection bring a new perspective to investigations of gender issues in the political behavior literature and feminist pedagogy by uniting them with the Scholarship of Teaching and Learning SoTL The volume offers a balance between the theoretical and the practical and includes discussions of issues such as curriculum class participation service learning doctoral dissertations and professional placements The contributors reveal the discipline of political science as a source of continuing gender based inequities but also as a potential site for

transformative pedagogy and partnerships that are mindful of gender While the contributors focus on the discipline of political science their findings about gender in higher education are relevant to SoTL practitioners other social science disciplines and the academy at large A bold and compelling collection that asks important questions about the ways in which the teaching of Political Science reproduces gender inequities Aeron Haynie **Civil Society and the State in**

Democratic East Asia David Chiavacci, Simona Grano, Julia Obinger, 2025-10-01 Civil Society and the State in Democratic East Asia Between Entanglement and Contention in Post High Growth focuses on the new and diversifying interactions between civil society and the state in contemporary East Asia by including cases of entanglement and contention in the three fully consolidated democracies in the area Japan South Korea and Taiwan The contributions to this book argue that all three countries have reached a new era of post high growth and mature democracy leading to new social anxieties and increasing normative diversity which have direct repercussions on the relationship between the state and civil society It introduces a comparative perspective in identifying and discussing similarities and differences in East Asia based on in depth case studies in the fields of environmental issues national identities as well as neoliberalism and social inclusion that go beyond the classic dichotomy of state vs liberal civil society **Fighting for the Farm** Jane Adams, 2013-03-26 In North America industrial agriculture has now virtually displaced diversified family farming The prevailing system depends heavily on labor supplied by migrants and immigrants and its reliance on monoculture raises environmental concerns In this book Jane Adams and contributors anthropologists and political scientists among them analyze the political dynamics that have transformed agriculture in the United States and Canada since the 1920s The contributors demonstrate that people become politically active in arenas that range from the state to public discourse to relations between growers and their contractors or laborers and that politics is a process that is intimately local as well as global The farm financial crisis of the 1980s precipitated rapid consolidation of farms and a sharp decline in rural populations It brought new actors into the political process including organic farmers and environmentalists Fighting for the Farm Rural America Transformed considers the politics of farm policy and the consequences of the increasing alignment of agricultural interests with the global economy The first section of the book places North American agriculture in the context of the world system the second a series of case studies examines the foundations of current U S policy subsequent sections deal with the political implications for daily life and the politics of the environment Recognizing the influence of an array of political constituencies and arenas Fighting for the Farm charts a decisive shift since the early part of the twentieth century from a discursive regime rooted in economics to one that now incorporates a variety of environmental and quality of life concerns **Bulletin MLSA** University of Michigan.
