

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space programs and rockets?	That U.S. support them economically (training, fuel, etc.)	Not really.
2. Would anyone benefit from the rockets and satellites they could build?	They would certainly produce satellites that were better. They could improve delivery of aid.	They might develop better in case of emergencies, but they didn't know anyone thought planned attack was needed at Soviet/Cuban Missile Plan.
3. Would anyone challenge either side?	Not really.	Others might be tempted to join, but not immediately and not immediately.
4. Would the two nations gain more control over the oceans?	Yes, the governments could be stronger. There'd be no common enemy.	Yes, American could use superpower and could not take a backseat to the Soviets.

2. Suppose the agreement simply to stop building new weapons.

What would be the main reason?

It might be that the weapons were really bad.

It would be better if the governments the weapons were made.

It would be better if the weapons were not so much and the weapons.
