Why the Reformation Still Matters Michael Reeves, 2016-04-21 On 31 October 1517 Martin Luther posted his ninety five theses on the castle church door in Wittenberg More than any other event this has the best claim to be the starting gun that set the Reformation in motion Five hundred years later the Reformation still has important things to say In this clear incisive and accessible survey Michael Reeves and Tim Chester show how the Reformation helps us answer questions like How do we know what s true Can we truly know God How does God speak What s wrong with us How can we be saved Who am I That many people today find the Reformation strange and remote exposes our preoccupation with this material world and this momentary life If there is a world beyond this world and a life beyond this life then it doesn t seem to matter very much to us At its heart the Reformation was a dispute about how we know God and how we can be right with him At stake was our eternal future and it still is

McDougal Littell World History: Patterns of Interaction McDougal Littell, 1998-11 **Mission Continues** Claudia Wahrisch-Oblau, Fidon Mwombeki, 2010-09-01 In May 2009 thirty five theologians from Asia Africa and Europe met in Wuppertal Germany for a consultation on mission theology organized by the United Evangelical Mission Communion of Thirty five Churches in Three Continents The aim was to participate in the 100th anniversary of the Edinburgh conference through a study process and reflect on the challenges for mission in the twenty first century We decided not to invite renowned experts but to have an open invitation through a call for papers so that practicing mission experts not yet well known would have an opportunity to share their expertise We decided not to predetermine a theme or motto for the consultation but to allow various themes on mission to emerge from the papers themselves and thus to allow wide ranging discussions Indeed the papers were varied each drew strong reactions lively and even controversial debates We were able to discover common concerns transcending very different contexts The collection of papers in this book has been taken from the papers delivered at the Wuppertal consultation In some cases short responses by one or two of the consultation participants were added to highlight the discussions that followed The very varied voices collected in this anthology nevertheless have much in common Even where they are most theoretical it is obvious that all contributors come from missionary practice and bring in their contextual experiences
