War and Literature Laura Ashe, Ian Patterson, 2014 Considerations of writing about war in war because of war and against war in a wide range of texts from the middle ages onwards War was the first subject of literature at times war has been its only subject In this volume the contributors reflect on the uneasy yet symbiotic relations of war and writing from medieval to modern literature War writing emerges in multiple forms celebratory and critical awed and disgusted the rhetoric of inexpressibility fights its own battle with the urgent necessity of representation record and recognition This is shown to be true even to the present day whether mimetic or metaphorical literature that concerns itself overtly or covertly with the real pressures of war continues to speak to issues of pressing significance and to provide some clues to the intricate entwinement of war with contemporary life Particular topics addressed include writings of and about the Crusades and battles during the Hundred Years War Shakespeare's *Casus Belli* Auden's *Journal of an Airman* and *War and Peace* Ian Patterson is a poet critic and translator He teaches English at Queens College Cambridge Laura Ashe is Associate Professor of English and a Tutorial Fellow of Worcester College Oxford Contributors Joanna Bellis Catherine A M Clarke Mary A Favret Rachel Galvin James Purdon Mark Rawlinson Susanna A Throop Katie L Walter Carol Watts Tom F Wright Andrew Zurcher

Contemporary Political Thought Alan Finlayson, 2003-09 Contemporary Political Theory is a foundation textbook in

political thought *Saving the World* Lynnette Porter, Lynnette Porter, David Lavery, 2010-12-14 Essays analysis and exploration of hit TV show *Heroes* from experts in the field of TV analysis **A Teacher's Guide to Land of Hope** Wilfred M. McClay, John D. McBride, 2024-09-24 A wonderfully written sweeping narrative history of the United States that will help Americans discover the land they call home Guide for Teachers using Land of Hope Young Readers Edition Middle School grades 6-8 The SECOND Teachers Guide to accompany the two volume narrative Land of Hope Young Readers Edition This Teacher's Guide to the Young Reader's Edition of Wilfred McClay's Land of Hope An Invitation to the Great American Story is an invaluable supplemental resource for teachers who use the Young Reader's Edition as a textbook for middle grade courses in US history Prepared by McClay in collaboration with John McBride a master teacher with more than thirty years of secondary and collegiate teaching experience it is one exceptionally rich and useful tool for classroom instructors Each chapter of this Teacher's Guide receives a five part treatment a short summation of the chapter's contents questions and answers about the chapter a list of key names and terms appearing within each one a crossword puzzle based on those names and terms and one or more primary source documents for class analysis with accompanying questions and answers Longer documents are broken into shorter passages with questions interspersed to help younger readers This Teacher's Guide also features a collection of map exercises as well as special units to assist instructors in teaching students about the Declaration of Independence the Constitution the Bill of Rights and the two party system **Building Entrepreneurship Economic Wisdom** Manoj Trivedi, 2019-11-03 The economic wisdom is rooted in a profound understanding of the relationships that exist between different orders of law that operate within an economic community It is above the above the man made laws and regulations that societies develop themselves there are laws of nature that operate by virtue of the individual and social nature of human beings and human societies We do know we'll need to be more resilient more adaptable and more responsible to face the future The concern is to join with those who are helping to grow fairer and more civilized communities and better places in which community can develop In terms of our aims it's a concern that our arts manufactures and commerce become more directly linked to the creation of a better and more equitable society But most entrepreneurs turned out not just to be good at making things cheaply but just as good as us at thinking and research and creating things With limited capacity to make things and no obvious reason why our thinking should be considered superior to others where does that leave our knowledge economy This is where a wisdom economy comes in A wisdom economy doesn't ignore knowledge but recognises that value is attached to the ethical and social framework within which that knowledge is used Wisdom recognises that values and value judgements are implicit in the way we live and that we need to be open about them Being a successful entrepreneur means more than starting new ventures every other day It means the right attitude towards a business and the determination and grit to achieve success A successful entrepreneur always has a strong sense of self confidence and a healthy opinion of their skills and abilities The path to success lies in evolution whether it is evolution of

ideas services and products or technology An entrepreneur should have an open mind and eagerness to learn new things It is imperative to understand that the only way to keep at the top is to keep on changing and evolving with the time An entrepreneur should be aware of the latest service techniques and technology in order to serve the clients in a better way During the process Leaders Entrepreneurs Founders and Employees have to evolve themselves for being a great leader Business is at war today globally under VUCA world and disruptive age of Fourth Industrial Revolution Business is not just about investment It s more about generating wealth as a measure to sustainability goal This book exclusively deals with evolvement process for being great leader and successful entrepreneurs with business insights business wisdom and error free decision making process Every finer nuance of this book and its analogies drawn from Indian mythological stories Economic wisdom of Chanakya Sun Tzu and War Stories as is being preferred and practiced globally has to be widely interpreted for self manifestation under prevailing global conditions and surrounding situation to address the war imposed and enjoy the book The book is certain to take forward the leadership and organizations to whole new level of sustainable paradigm Various mythological and war analogies used in this book shall be the guiding principle to evaluate and build solid strategies in developing organisation Mythological and historical facts and evidences given in this book help deeper introspection in this highly disruptive age and develop spiritual wisdom subjective management and economic wisdom This book is suitable for Entrepreneurs Leaders Start Ups and Employees to evolve themselves and face the challenges ahead arising out of several disruptive macroeconomic forces This is a must to be successful *The Superpowers' Playground* Sankalp Gurjar,2022-12-30 This book analyses the evolving geopolitics in the Indo Pacific region and explains how Djibouti fits in the global strategies of four major powers the US China Japan and France It shows how Djibouti is emerging as a key nation in the geopolitics of the Indo Pacific explores the interconnections between Djibouti and the Indian as well as Pacific Oceans and through Djibouti examines broader trends in contemporary great power politics in the Indo Pacific region including the Belt and Road Initiative of China Moving beyond contemporary works on the region the author integrates Africa and the Middle East with discussions on the Indo Pacific to illustrate the coalescing of strategic geography from Eastern Africa to the Western coast of the Americas A major intervention the volume will be essential reading for scholars practitioners and researchers of politics and international relations security studies African studies peace and conflict studies and maritime studies *The Making of Economic Society* Robert L.
