Marriage seems to have stirred up all sorts of weird longings in Sally Adams. On the surface, she seems to have everything she needs to be happy. So why is she guzzling so many chocolate biscuits and dreaming of elsewhere? She has good friends, an interesting job and an almost brand new husband. Then a chance encounter with a stranger makes it all too clear that life could have been so different if she had followed her heart. She begins to wonder if the key to fulfillment lies not in the present but in the past. Over fifty years before Sally's Great Aunt DeeDee, the official black sheep of the family, disappeared. When Sally uncovers a scandal that has left deep fault lines in her family, she begins to understand the legacy of lies and secrets that are echoed in her complicated relationship with her sister April. As she unravels the mystery, she begins to see what she has been hiding from. And she learns that to be who she truly is and to find her soul mate, she must be honest and she must be brave. **Lawsuit and Leather** Vivian Mae, 2022-02-22. Gemma finds a way to keep her friendship alive or will she take a chance on love with the celebrity who won't let her get away. Recommended for readers who are eighteen and up. Her Tower of Babel Daphne Balinda, 2021-08-30. Brokenness causes us to do one of two things: either we build towers of prominence, edifices with our names lifted high to be like God, or keep so busy with all the games of life that we never have time to think about the most important game of life. In other words, we are running away from God with all our busyness, achievement and performance. And if the truth were known, we often like it that way. Xandra and Sean looked good together and were potentially good for each other, but how could they be so ill-suited for each other? She was a smart, ambitious and high-flying executive when she was swept off her feet by the seemingly eligible, gorgeous Sean. He promised her the world and against all wisdom, she dared to dream. He demanded high standards of service and she gave it heartily. Sean raised the bar with every achievement and she attributed it to his high standards. His demands gradually took their toll, then she discovered that she was not the only one in his life and she was not allowed to confront that issue. Muzzled, Xandra had fallen into the dark abyss of despair, feeling her prayers returned unanswered. She had been confronted with the trifecta of loss: loss of self-confidence, treachery and was facing the loss of family. This was the dungeon of the used and abused. Her choices: succumb to fear and die in bondage or stand courageously against all odds and
