**Hierophantic Landscapes** Richard Leviton,2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes

from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again *Stage Lighting* Richard E

Dunham,2018-12-07 *Stage Lighting Design Applications and More* builds upon the information introduced in *Stage Lighting The Fundamentals* to provide an in depth reference to a number of specialty areas of lighting design from traditional applications such as drama dance and designing for different venues to more advanced applications such as concert corporate film and video virtual architectural landscape and other forms of entertainment lighting Each chapter gives the essential background design practices and equipment details for each specialization so readers can make informed decisions and ask informed questions when encountering each field The book provides insight on the latest technology and includes profiles of prolific designers such as James Moody Jeff Ravitz Alan Adelman and Paul Gregory *Stage Lighting Design Applications and More* is intended to help lighting designers translate their theatrical skills to other areas of lighting design and provides guidance on how to take those initial steps into new ventures in their lighting careers **Film Noir and the**
