Scholarly Research in Music Sang-Hie Lee, 2022-04-28 *Scholarly Research in Music Shared and Disciplinary Specific Practices* Second Edition offers a comprehensive and detailed guide to engaging in research in all disciplines of music This second edition continues to provide the foundational principles of research for all musicians including performers theorists

composers conductors music educators and musicologists It strengthens the core pedagogical framework of the first edition by offering updated guidance on available technologies methodologies and materials Driven by the rapidly shifting research paradigms within music sixteen contributors expand the already broad scope of the book with new chapters on research in today's library neurophenomenology in music and self efficacy in music performance as well as new sections in chapters on philosophy historical research social science research and statistics Introducing research as a friendly and accessible process the book engages students in brainstorming a topic asking pertinent questions systematically collecting relevant information analyzing and synthesizing the information and designing a cohesive research plan to conduct original research Detailing the methodologies and techniques of both conventional and innovative approaches to music research Scholarly Research in Music provides an essential grounding for all kinds of music researchers Religion and Film S. Brent Plate, 2017-09-05 Religion and cinema share a capacity for world making ritualizing mythologizing and creating sacred time and space Through cinematography mise en scene editing and other production activities film takes the world out there and refashions it Religion achieves similar ends by setting apart particular objects and periods of time telling stories and gathering people together for communal actions and concentrated focus The result of both cinema and religious practice is a re-created world a world of fantasy a world of ideology a world we long to live in or a world we wish to avoid at all costs Religion and Film introduces readers to both religious studies and film studies by focusing on the formal similarities between cinema and religious practices and on the ways they each re-create the world Explorations of film show how the cinematic experience relies on similar aesthetic devices on which religious rituals have long relied sight sound the taste of food the body and communal experience Meanwhile a deeper understanding of the aesthetic nature of religious rituals can alter our understanding of film production Utilizing terminology and theoretical insights from the study of religion as well as the study of film Religion and Film shows that by paying attention to the ways films are constructed we can shed new light on the ways religious myths and rituals are constructed and vice versa This thoroughly revised and expanded new edition is designed to appeal to the needs of courses in religion as well as film departments In addition to two new chapters this edition has been restructured into three distinct sections that offer students and instructors theories and methods for thinking about cinema in ways that more fully connect film studies with religious studies **Schooling the Movement** Derrick P. Alridge, Jon N. Hale, Tondra L. Loder-Jackson, 2023-04-20 A fresh examination of teacher activism during the civil rights movement Southern Black educators were central contributors and activists in the civil rights movement They contributed to the movement through their classrooms schools universities and communities Drawing on oral history interviews and archival research Schooling the Movement examines the pedagogical activism and vital contributions of Black teachers throughout the Black freedom struggle By illuminating teachers activism during the long civil rights movement the editors and contributors connect the past with the present contextualizing teachers longstanding role as advocates for social justice Schooling the Movement

moves beyond the prevailing understanding that activism was defined solely by litigation and direct action forms of protest. The contributors broaden our conceptions of what it meant to actively take part in or contribute to the civil rights movement.

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1971 *The Charismatic Movement* Charles Edwin Jones, 1995-04-28 indispensable for all theological libraries and upper division undergraduate and graduate collections generally METHODIST HISTORY the standard bibliographic source for the topic Recommended for any library supporting the study of religion in the present day U S CHOICE *Anorectal and Colonic Diseases* Jean-Claude Givel, Neil James Mortensen, Bruno Roche, 2009-11-14 This fully revised new edition focuses on the clinical diagnostic and therapeutic aspects of conditions encountered by the coloproctologist and gastroenterological surgeon who are faced with an increasing number of precise and specific treatment modalities **The Cumulative Book Index**, 1997 A world list of books in the English language **Responsive Schooling for Culturally and Linguistically Diverse Students** Debbie Zacarian, Ivannia Soto, 2020-07-14 A strengths based approach to making sure what we teach is central to who we teach. Rapidly changing and diverse student populations necessitate culturally responsive schooling. It can be a challenging balancing act for educators to respect diversity and teach to each student's needs while adhering to restrictive curricula that mandate the use of standard English. Responsive Schooling for Culturally and Linguistically Diverse Students offers a balanced approach to developing students' academic language proficiency while simultaneously honoring, acknowledging, and valuing the richness of their home and community languages and cultures. Debbie Zacarian and Ivannia Soto provide a practical framework within which schools and educators can make students' personal cultural and social identities central to the curriculum by drawing on the experiences and interests they bring to the classroom. Filled with examples of responsive teaching and opportunities to reflect on current practice, the book is a rich resource for teachers and school leaders alike.

Differentially Expressed Genes in Plants Axel Kornerup Hansen, 2002-09-11 The analysis of changes in gene activity in tissues and cells of plants is a way of measuring developmental and environmental responses. This volume provides detailed accounts of new and established techniques used to carry out such analyses *Social Work and Disasters* Margaret Alston, Tricia Hazeleger, Desley Hargreaves, 2019-01-11 Disasters are increasing in frequency and intensity across the world, causing significant destruction to individuals and communities. Yet many social workers are ill prepared for the demands of this field of practice. This book discusses the role of social workers in disaster work, including in disaster preparedness during the disaster and in post-disaster practice. It addresses the complexities of social work disaster practice, noting the need for social workers to understand the language of trauma and to respond effectively. The authors discuss disaster theory and practice, drawing out elements of practice at macro, meso, and micro levels and at various stages of the disaster. They examine the factors that shape vulnerability in disasters and draw out the possibility of post-traumatic growth. The final section discusses strategies for self-care in disaster practice, noting the organisational and personal strategies that can be adopted to

facilitate the wellbeing of workers in the field With real life case studies from top scholars in the field this book is essential reading for social work practitioners working in the field of disaster practice as well as social work students and academics It will also be useful to other health professionals who wish to understand this field of practice Catalog of Copyright Entries, Third Series Library of Congress.
