energy and the Wing Chun elements It was only when we started focusing on the Western fencing aspects of JKD that I was able to understand and focus on what has become my essence of JKD Of course an instructor cannot just hand you what will become your essence or foundation of your own JKD This is something that you must discover for yourself as you work to become more a more efficient JKD practitioner The purpose of this book is too show you most of what we teach in my garage and the basic principles behind each Once you have worked on these you will come to realize what will work for you and what will not Some of you will want to focus on distance and footwork Others will feel comfortable crashing the line Whatever works for you is the main thing Just use the book as guideline to discover your own essential JKD *Tao of Jeet Kune Do* Bruce Lee,1975 Treatise on his martial art **Jeet Kune Do Unlimited** Burton Richardson,2022-11-28 A key element of Bruce Lee s Jeet Kune Do was to look beyond the individual martial arts styles to grasp the concepts that bind all martial systems Burton Richardson one of the foremost authorities on Lee s art breaks down the concepts that bind all martial systems so all martial artists can understand this holistic approach to training With his extensive training in martial arts from around the world including the USA the Philippines Japan China Hawaii Brazil Africa and Europe Burton breaks down the martial arts realm into the five categories of ranges postures attributes techniques and training Starting with philosophy and tactics he gives a detailed explanation of the five categories and concludes by showing how these concepts can be applied Illustrated with hundreds of photographs the book features demonstrations of how these concepts can be applied in self defense This is not a book about a particular system but about how the individual martial artist can practice more efficiently and with greater understanding *Bruce Lee Jeet Kune Do* Bruce Lee,2020-10-20 Compiled from Bruce Lee s own notes and writings Bruce Lee Jeet Kune Do is the seminal book presenting the martial art created by Bruce Lee himself Jeet Kune Do was a revolutionary new approach to the martial arts in its time and is the principal reason why Bruce Lee is revered as a pioneer by martial artists today many decades after his death The development of his unique martial art form its principles core techniques and lesson plans are all presented in this book in Bruce Lee s own words and notes This is the complete and official version of Jeet Kune Do which was originally published by Tuttle Publishing in cooperation with the Lee family in 1997 It is still the most comprehensive presentation of Jeet Kune Do available This Jeet Kune Do book features Lee s illustrative sketches and his remarkable notes and commentaries on the nature of combat and achieving success in life through the martial arts as well as the importance of a positive mental attitude during training In addition there are a series of Questions Every Martial Artist Must Ask Himself that Lee posed to himself and intended to explore as part of his own development but never lived to complete Bruce Lee Jeet Kune Do is the book every Bruce Lee fan must have in his collection This Bruce Lee Book is part of the Bruce Lee Library which also features Bruce Lee Striking Thoughts Bruce Lee The Celebrated Life of the Golden Dragon Bruce Lee The Tao of Gung Fu Bruce Lee Artist of Life Bruce Lee Letters of the Dragon Bruce Lee The Art of Expressing the Human Body **Jeet Kune Do Kickboxing** Chris Kent,Tim Tackett,2008-07-01
