The Old Testament Is Dying (Theological

Explorations for the Church Catholic) Brent A. Strawn, 2017-03-14 The Old Testament constitutes the majority of the Christian Bible and provides much of the language of Christian faith. However, many churches tend to neglect this crucial part of Scripture. This timely book details a number of ways the Old Testament is showing signs of decay, demise, and imminent death in the church. Brent Strawn reminds us of the Old Testament's important role in Christian faith and practice, criticizes current misunderstandings that contribute to its neglect, and offers ways to revitalize its use in the church. Handbook of Research on Teaching Ethics in Business and Management Education Wankel, Charles, Stachowicz-Stanusch, Agata, 2011-12-31 This book is an examination of the inattention of business schools to moral education, addressing lessons learned from the most recent business corruption scandals and financial crises, and also questioning what we're teaching now and what should be considered in educating future business leaders to cope with the challenges of leading with integrity in the global environment. Provided by publisher. *Innovative Management Education Pedagogies for Preparing Next-Generation Leaders* Tiwari, Shalini, Rahul, Nafees, Lubna, 2015-11-30 Management education is currently adapting to several societal changes. Due to increased workload and outside pressures heaped on students, business education programs are undergoing a unique transformation to keep up with shifting industry expectations. *Innovative Management Education Pedagogies for Preparing Next-Generation Leaders* facilitates the discussion on a variety of teaching methods and practices being used in current business education programs. Highlighting the ways that technology can be used to aid students in the advancement of their studies as well as career development and preparation, this text covers a range of topics from leadership expectations and workforce requirements to electronic course materials. The timely, research-based practices and methods included in this publication are beneficial to school administrators, instructional designers, instructors, and researchers in the fields of business and higher education. *Jesus Made in America* Stephen J. Nichols, 2010 Jesus is as American as baseball and apple pie. But how this came to be is a complex story, one that Stephen Nichols tells with care and ease. Beginning with the Puritans, he leads readers through the various cultural epochs of American history, showing at each stage how American notions of Jesus were shaped by the cultural sensibilities of the time. *Off-Road Disciplines* Earl Creps, 2006-09-22 In *Off-Road Disciplines*, Earl Creps reveals that the on-road practices of prayer and Bible reading should be bolstered by the other kinds of encounters with God that occur unexpectedly, complete with the bumps and bruises that happen when you go off-road. Becoming an off-road leader requires the cultivation of certain spiritual disciplines that allow the presence of the Holy Spirit to arrange your interior life. Earl Creps explores twelve central spiritual disciplines: six personal and six organizational that Christian leaders of all ages and denominations need if they are to change themselves and their churches to reach out to the culture around them. **Leading Lessons** Jeanne Porter, 2004-12-01 A sequel to Porter's first book, *Leading Ladies*, which explored how the Bible supports women in leadership, this volume delves deeper, providing insights into growing into leadership, leading through adversity, challenging the status quo, and seeing leadership

potential in unexpected people Nine scripturally based studies examine lessons of leadership from specific women of the Bible From Eve we discover how to unlock our leadership potential from Esther we learn about leadership formation from within Each chapter includes a summary page of empowerment principles as well as a series of questions for personal reflection or groups

After World Religions Christopher R Cotter, David G. Robertson, 2016-02-05 The World Religions Paradigm has been the subject of critique and controversy in Religious Studies for many years After World Religions provides a rationale for overhauling the World Religions curriculum as well as a roadmap for doing so The volume offers concise and practical introductions to cutting edge Religious Studies method and theory introducing a wide range of pedagogical situations and innovative solutions An international team of scholars addresses the challenges presented in their different departmental institutional and geographical contexts Instructors developing syllabi will find supplementary reading lists and specific suggestions to help guide their teaching Students at all levels will find the book an invaluable entry point into an area of ongoing scholarly debate
