Klinge, 2003 At this point I have to explain that we are living in a time never seen before The nations of Europe and America are the messengers of the gospel in our time resulting in an outpour of blessings Now they own most of the resources abundance and wealth of the world Many nations in Africa and Asia are suffering in hunger misery poverty and epidemics Although he thought gospel has reached all the nations of the world the love of God and the good news of Jesus have yet to reach the majority of the world population Preaching the gospel together with charity according to the apostles in initial times is of the utmost importance today Feeding the starving healing the sick saving the lepers taking care of the orphans and widows supporting the poor healing the invalids and victims can be done by the Christians of the rich nations It is an opportunity never existing before in world history The barriers of hatred between the rich and the poor have to come down with endeavor and adventures of Christian love To challenge the deprived once saved to join the movement of Christian love in their country would intensify and accelerate the worldwide salvation It required people being entirely selfless and dedicated There are young people ready for action in many countries They need examples to be followed and it is a challenge for all the churches The truth received from God in the Bible has transformed the ethics and the religions of mankind created Christian laws and generated understanding and cooperation between the nations although most people are unaware of these facts It is possible to become enlightened and to experience the truth Therefore this interpretation may contribute to the elucidation of the revelation of John Anthology of Dramas and Scripts for all Seasons and Reasons Eulonda Dreher, 2022-08-05 Anthology of Dramas and Scripts for all Seasons and Reasons is a collection of dramas skits readings and programs which can be used by churches small groups or individuals for seasonal presentations general promotions instructional guides and programs or for reading enjoyment It includes full length dramas short stories readers theaters general interest articles puppet dramas and poems for Christmas Thanksgiving Easter and Anytime for adults and children If you have any questions and or feedback feel free to email me at eulonda_mchsi.com or ead61822@gmail.com The Book of Scripture vs. Culture Pastor Raymond Vietmeier, 2020-03-23 The Book of Scripture vs Culture explains what the title implies It uses biblical scriptures to explain about the difference of the culture in the United States from the scriptures that say what God expects us to do The book explains how one person was guided by God from childhood until he ultimately made that person into a preacher and a disciple Since the author could not know the details of another person's relationship with the Holy Trinity he used his own life story Following that story he explains about miracles God performed in order to protect him from harm so he would ultimately do the work God had planned for him from the time of conception Also this book goes into great detail as to what is going wrong with our culture it is going in the opposite direction from what God expects of us in the Holy Bible As an ordained independent minister the author tries to back up

everything he writes with scripture He also describes how God personally directs and guides him when writing sermons and also writing the books God wants him to write The author hopes you not only enjoy reading this book but also may learn things of which you were not previously aware May God bless America and may we change our cultural direction to agree with the holy scriptures *A Complicated Love Story* V. George Shillington, 2019-10-14 The Fourth Gospel otherwise known as the gospel of the beloved disciple of Jesus has captivated the imagination of myriads of people worldwide Echoing one of its major themes namely water this gospel has been described as one in which a child can wade and an elephant can swim Of the four gospels in the New Testament this one stands out from the other three at several levels In the Fourth Gospel the extraordinary acts of Jesus are labeled consistently as signs not miracles In the second major part however the signs give way to reality found uniquely in the life and death of Jesus on behalf of benighted humanity He is the true light that enlightens every one and every thing There are no parables in the Fourth Gospel A parable is something that is literally thrown alongside the ordinary world of the day The Fourth Evangelist focuses on truth one of its major themes There are puzzling pieces mixed in with the good news which serves to make this gospel captivating to the reader Through all of the complex twists and turns in this gospel the theme of love shines forth brilliantly especially so in the second half

Life with no end Space with no bounds And what about Armageddon The Lake of Fire The Mark of the Beast Are we supposed to feel good about all this When we wonder about these things we aren't alone There is much about the end of history we don't understand But while thoughts on the final day will stir our questions they needn't stir our fears Regarding that day Jesus urged Don't let your hearts be troubled Trust in God and trust in me John 14:1 Max Lucado believes the day Christ comes will be the beginning of the very best And our primary task is to be prepared and peaceful while we wait If we have some questions about the end of time If we have concerns about what will happen to us If we want to look to the end of times as a source of comfort and not chaos Then this is the book we need New York Times best selling author Max Lucado walks us through Scripture to find peace in the present and hope for the hereafter
