Joe And Charlie Big Study:

The Little House on Genessee John S. Fort Wayne Indiana, 2012-10 John S turned his little house on Genessee Avenue in Fort Wayne Indiana into a place where he sponsored over the years a long series of alcoholics and addicts and led them to sobriety through Alcoholics Anonymous and the twelve steps Many of these people came from very rough backgrounds including hardened ex cons and people who rode in motorcycle gangs but what you see in them now is a combination of strength and gentleness of fearlessness and kindness and of what is still the old toughness but mixed now with a marvelous depth of love and spiritual presence In this book he and seven of the people he sponsored tell the story of how their alcoholism and addiction led them into lives of desperation and despair but how practicing a set of simple daily actions enabled them to recover from their seemingly hopeless affliction In John s early life he was a great sailor using St John in the Virgin Islands as his base and taking fast sailboats for adventure and commerce through the waters of the Southern Atlantic and Caribbean Sea He worked for many years at a special martial arts dojo and rode motorcycles which could outrun anything else on the road But in 1985 he put aside alcohol and drugs and by 1994 he was devising the method which he lays out in this book Eleven of the first twelve people he tried it on got sober and stayed sober It is built on the Big Book of Alcoholics Anonymous the Joe and Charlie tapes and the teachings of the good Fort Wayne physician Dr Zweig John boils it down into something so simple that anyone can understand how to do it And it works People all over John s part of the country have seen it work for the past 18 years again and again for the toughest the angriest the most rebellious and the most self destructive alcoholics and addicts in the world **Utilizing Early A.A.'s Spiritual Roots for Recovery Today**

Dick B., 1999 Dick B is a writer historian Bible student retired attorney and recovered AA who has sponsored more than 100 men in their recovery and is actively involved in the fellowship He has devoted 18 years to researching reporting publishing and disseminating materials on the spiritual roots of Alcoholics Anonymous He is regarded as the leading historian on A A history today and has published 33 titles on the subject The Seven T's Judy Collins, 2007-05-31 Beloved singer songwriter

Judy Collins draws on her personal experience with her son s suicide to guide readers through grieving the loss of a loved one who has died under tragic circumstances The death of a loved one is always painful and the grieving process complex and profound Yet when the loss occurs under tragic circumstances there is a whole other set of emotional variables that the people left behind must face Questions abound such as Could I have stopped this Feelings of guilt shame and even anger combine with the overwhelming sadness of losing someone who was dearly loved Drawing on her own experience of losing her son to suicide as well as her conversations with hundreds of people who have grieved the tragic death of a friend or family member revered singer songwriter Judy Collins has culled together seven powerful steps toward healing The Seven T s are TRUTH Tell it Regardless of how terrible the facts may be and how hard it is to talk about don t hide the truth about how you lost the person you loved TRUST Allow it Don t let the painful circumstances surrounding the death of your loved one

prevent you from talking with friends about your loss THERAPY Get it Seek help whether through traditional talk therapy your art meditation or whatever method you choose but get the help you need TREASURE Hold on Don't stop treasuring your loved one Don't let the horrible events leading to his or her death wash away all of the things that were good and beautiful about that person's life THRIVE Keep living with your eyes wide open Don't give in to the temptation to use alcohol or any other addiction to blunt or blur your sadness TREAT Be kind to yourself Give yourself the gift of self nourishment TRIUMPH You must Live a life of joy abundance and forgiveness From a woman famous for her wisdom and compassion The Seven T's is destined to become a classic on the subject of grieving and loss

Why Early A.A. Succeeded Dick B, 2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A's founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A's program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A's Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today's recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today's room talk and literature There are plenty of books on Bible study There is none that addresses early A A's own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn't tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole

deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes This Week,1986 *Joe Steele* Harry Turtledove,2015 In this alternative history Joe Steele takes the place of Franklin D Roosevelt to become the U S President leading the country out of the Great Depression The reforms he puts in place get citizens back to work but Steele s critics end up in work camps if they complain too much about the policies The Steps We Took Joe McQ,2015-01-01 The words of this book s title are said aloud every day by thousands of people meeting together to help each other recover from addiction s the addictions may be to alcohol or cocaine gambling or food violence or sex but the path to recovery is the same The exciting thing about the Twelve Steps is that they teach us how to live Once we know the design of living and the principles of living a successful life we find that we not only get over the problems we see but we avoid many other problems we would have had To me the miracle is that all this was boiled down into twelve simple Steps that anybody can apply This is a book of plain spoken wisdom for people with addictions and people who love them Joe McQ has been a student of the Twelve Steps for more than three decades He like tens of thousands of others lives them every day one day at a time In The Steps We Took Joe takes us through them one Step at a time and helps us understand how they work and how they can change our lives Friends Forever and Other Short Stories Robert Glover,2018-03-15 Charlie Monroe loves school but he hates that other kids call him a dummy Unfortunately he has never found a friend he can count on until he meets Bobby Smith a fellow student who helps him build confidence and uncover a hidden talent that will change his life forever Robert Glover shares a glimpse into the lives of a group of diverse characters living in varied times and dealing with unique challenges It is 1920 when the boss of a logging crew reveals who has secretly been helping him wash the dishes every night and in the process teaches the crew a valuable lesson Mickey is a little boy living on a farm His life is simple and without luxuries like running water When he finally starts school Mickey s principal finds a creative solution to a habitual problem In this collection of short tales boys and men learn the value of friendship important lessons and that a little kindness can make a great difference in their lives **Finding Agate** Rose Hannon,2010-04-20 An Epic Story of a Poodle s Heart and His Will to Survive A wonderful human story as it can only be seen through a dog s eyes Together and apart man and dog face betrayal lost love and hardship Only through deep devotion and perseverance do the windows open to each of their hearts allowing them the strength to endure and face the future unknowns **Developing Thinking and Understanding in Young Children** Sue Robson,2012-01-19 Developing Thinking and Understanding in Young Children presents a comprehensive and

accessible overview of contemporary theory and research about young children's developing thinking and understanding. Throughout this second edition the ideas and theories presented are enlivened by transcripts of children's activities and conversations taken from practice and contemporary research helping readers to make links between theory, research and practice. Each chapter also includes ideas for further reading and suggested activities. Aimed at all those interested in how young children develop through their thoughts and actions, Sue Robson explores theories of cognitive development, the social, emotional and cultural contexts of children's thinking, children's conceptual development, visual thinking, approaches to supporting the development of young children's thinking and understanding, latest developments in brain science and young children, the central roles of play and language in young children's developing thinking. Including a new chapter on young children's musical thinking, expanded sections on self-regulation, metacognition and creative thinking, and the use of video to observe and describe young children's thinking, this book will be an essential read for all students undertaking Early Childhood Primary PGCE and EYPS courses. Those studying for a Foundation degree in Early Years and Childcare will also find this book to be of interest.
