Jefferson And Monroe:

Jefferson and Monroe Noble E. Cunningham, 2003 From the moment Governor Thomas Jefferson handpicked a young soldier named James Monroe to serve as an aide during the Revolutionary War a vital friendship and political alliance was born Both men served as governor of Virginia minister to France secretary of state and president for two terms Their lives overlapped even more clearly through shared friendships with individuals such as James Madison shared interests such as the creation of the University of Virginia and shared missions including the completion of the Louisiana Purchase

Messages and Papers of the Presidents Thomas Jefferson, 2009-03-01 Volume 2 in the collected messages and papers of the Presidents as prepared under the direction of the Joint Committee on Printing of the House and Senate *The Jeffersonians* Kevin R. C. Gutzman, 2022-12-13 The epic chronicle of the Virginia Dynasty Three Presidents who shaped America's destiny and set the stage for modern liberalism A long insightful look at three Founder presidents Political histories are rarely page turners but Gutzman clearly a scholar who has read everything on his subjects writes lively prose and displays a refreshingly opinionated eye for a huge cast of characters and their often unfortunate actions Outstanding historical writing Kirkus starred review Before the consecutive two term administrations of Presidents Bill Clinton George W Bush and Barack Obama there had only been one other trio of its type Thomas Jefferson James Madison and James Monroe Kevin R C Gutzman's *The Jeffersonians* is a complete chronicle of the men known as The Virginia Dynasty who served as president from 1801 to 1825 and implemented the foreign policy domestic and constitutional agenda of the radical wing of the American Revolution setting guideposts for later American liberals to follow The three close political allies were tightly related Jefferson and Madison were the closest of friends and Monroe was Jefferson's former law student Their achievements were many including the founding of the opposition Republican Party in the 1790s the Louisiana Purchase and the call upon Congress in 1806 to use its constitutional power to ban slave imports beginning on January 1 1808 Of course not everything the Virginia Dynasty undertook was a success Its chief failure might have been the ineptly planned and led War of 1812 In general however when Monroe rode off into the sunset in 1825 his passing and the end of The Virginia Dynasty were much lamented Kevin R C Gutzman's compelling narrative details a pivotal time in America when three presidents worked toward common goals to strengthen our republic in a way rarely seen in modern politics
