*Jericho* Ginger Jamison, 2014 Nurse Georgia Williams has tried to create an uncomplicated life for her and her daughter but when she falls for wounded marine Christian Howard consequences arise that neither could have foreseen

*Redemption on the Road to Jericho* Paul Kluzek, 2023-09-08 *Redemption on the Road to Jericho* is a Christian novel with two simultaneous stories centering around the biblical story of the Good Samaritan One is a modern day tale while the other one occurred two thousand years ago in the land of Judea They are emotionally engaging stories dealing with love human conflict pain and suffering and the healing process that can set a person free from their painful past It is possible that this book can inspire victims of abuse to set themselves free from the emotional scars that they carry This book illustrates how life was like when Jesus walked among us and shows that people really haven't changed all that much since then We may have many modern conveniences and luxuries and have access to all kinds of knowledge but we still have difficulty loving one another and making wise choices The story of the Good Samaritan encompasses all of humanity because we have all been victims or bullies at one time or another We all need redemption and we all need a helping hand at one time or another and we can choose to be that helping hand as well We are all going down our own unique pathways in life but no matter what road a person travels one way or another all roads eventually lead to the cross Once we arrive there we have to choose what we will do with Jesus

**Fate's Redemption** Keith Lee Johnson, 2005-05-17 In this gritty and suspenseful family drama from celebrated storyteller Keith Lee Johnson three brothers find their professional and romantic lives veering out of control and heading toward a shattering conclusion Brothers Jericho Sterling and William Wise may be bonded by blood but life has dealt them very different hands Jericho is a drug and munitions dealer the leader of an elite group of former military personnel Sterling is an attorney who finds himself fired from his prestigious San Francisco law firm on the same day he's expecting a verdict on a nationally televised case that was supposed to make his career And William a widowed psychologist and the youngest Wise brother has spent the past five years alone but is finally imagining what it might be like to love again Only trouble is Terry Moretti the woman he's dating is white and she can't seem to understand the societal and familial taboos that keep William from getting too closely involved Jericho has a whole other dilemma to deal with one that could see him ending up in jail for a very long time Meanwhile Sterling's luck seems to turn around when he meets a mysterious woman who offers him the world but in return he would need to comply with her racial prejudices is he willing to pay her price Keith Lee Johnson's twisting riveting plot and crackling dialogue will captivate the reader from page one and the extraordinary Wise Brothers choices will lead them inexorably toward a stunning and unforgettable climax

*Niggers Sing Redemption Songs: Reggae, the Heart-Beat of a People* VK Ogilvie, 2022-09-18 Of all the various acts of inequity throughout time none was more severe than the submission forced upon the indigenous peoples of the earth by their earthly demi god counterparts Robbing these peoples of their God given cultural and traditional knowledge of survival void of cultural references and

alienated from their traditional survival techniques and skills the indigenous peoples had no other choice than to accept the ways of the earthly demi gods which was modernity and that came with many social disadvantages worst of all they would become second and third class citizens in a racially divided and dystopic world The standard procedure was the implementation of acts that were intended to impart the greatest degree of fear the fear of death and the fear of dying whatever methods the noble savages thought would break the barbarian savages into submission All manner of unthinkable acts of atrocity were employed against the indigenous peoples because the objectives of the earthly demi gods had to be met which was to expropriate the lands and natural resources from these savages these uncivilized people The work of Niggers Sing Redemption Songs Reggae The heart beat of a people takes aim at reaffirming the psyche and glory of the Black self as of utter importance in our efforts to make our world a better place The unconscionable disregard for the glory of the Black self and by refusing to use it has successfully stripped away Black humanity from the Black indigenous peoples collective consciousness overall leading to a niggerization process done for the benefits of the barbaric and ignobly self acclaimed earthly demi gods The Black peoples of the world must bring back the Black love of self and all things Black that is your redemption and then real life will be given to you Additionally what was most evidently conspicuous and surprising was a revelation that had emerged from the research of this study The study has discovered evidences which would indicate that because of social biases for example racial prejudices and out right arrogance coupled with miss education and deprecated mindsets the attitudes of many Jamaican historians the down trodden sectors of the Jamaican society were undermined and were not given meaningful historical documentations The academics did not document accurately the accounts of Afro Jamaican culture for instance the Rastafarians input into the cultural history of Jamaica Although many academics of the time were themselves Afro Jamaican non sympathizers to the Rasta movement and in most cases just a generation or two removed from slavery they were non commiserated towards their people s history and struggles So much so that they did not consider the documentation of their Afro Jamaican culture as a priority and as such a deficit in proper documentation of historical material exists today This becomes quite evident in the footnotes where due to the lack of material there is a redundancy in reference materials Therefore in order to add further depth to the stock of the genre of Black Liberation Literature this work advances a redemptive process which is aimed primarily at every individual that has been niggerized by White supremacy and their racist systems Therein that each nigger would cultivate an awareness that would be congruent with his her Black redemption as is outlined in this literary work Thus that he her would be empowered sufficiently to rise above the White supremacist world that had ungratefully grafted him her and had restrained him her to oppressive states of meaningless existences Black people must rise above their common bound the social degradation of niggerization a social construct of the White racist demi gods and to accept the fundamental merits and opportunities that a Black redemption would have provided which is the reconstructed Black self with all its social advantages because White America will not change and they will not

change for the sake of niggers or will they accept niggers as Whites Sorry but no skin bleaching formula will change Blacks into White The Black experience is not the undoing of the White racist demi gods instead it is the doings of the reconstructed niggers towards the redemption freedom of Black individuals *A Passionate Hope (Daughters of the Promised Land Book #4)* Jill Eileen Smith, 2018-02-06 Hannah and her husband Elkanah share a deep and abiding love for each other for their God and for his tabernacle at Shiloh Greatly disturbed by the corruption of the priests they long for restoration and pray for a deliverer But nothing changes as the years pass Years that also reveal Hannah to be barren Pressured by his family to take another wife Elkanah marries Peninnah who quickly begins to bear children Disgraced and taunted by her husband s new wife Hannah turns again to prayers that seem doomed to go unanswered Do her devotion and kindness in the face of Peninnah s cruelty count for nothing Why does God remain silent and indifferent to her pleas Travel back to the dusty streets of Shiloh with an expert guide as Jill Eileen Smith brings to life a beloved story of hope patience and deliverance that shows that even the most broken of relationships can be restored **The Blind Beggar of Jericho** Favell Lee
