Living God's Word, Second Edition J. Scott Duvall, J. Daniel Hays, 2021-06-01 *Living God's Word* is your pathway to read

the Bible as it was meant to be read as God's Great Story. Many Christians resolve to study the Bible more fervently but often struggle to grasp the progression of Scripture as a whole. They encounter various passages each week through unrelated readings, studies, and sermons, and it all feels disconnected. But once they see the Bible as God's Great Story, they begin to understand how it all fits together and they start to see how their own lives fit into what God has done and is doing in the world.

In *Living God's Word*, Second Edition, New Testament scholar J. Scott Duvall and Old Testament expert J. Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible, thus enabling them to live faithfully in deep and important ways. *Living God's Word* explores the entire Bible through broad themes that trace the progression of God's redemptive plan. Each section deals with a certain portion of Scripture's story and includes Reading, listening, preparation, explanation, summary, observations about theological significance, connections to the Great Story, written assignments for further study. These features combined with the authors' engaging style make *Living God's Word* an ideal book for those who want to understand the Bible better for introductory college courses, Sunday school electives, or small group study. Readers can further enhance their learning experience with the *Living God's Word* WORKBOOK, sold separately, which contains additional questions and exercises to help them reflect on what they are reading in *Living God's Word*.

[Four Portraits, One Jesus, 2nd Edition](#) Mark L. Strauss, 2020-03-24. A thorough introduction to the four biblical Gospels and their subject: the life and person of Jesus. Like different artists who render the same subject using unique styles and points of view, the Gospels paint four distinctive portraits of the same Jesus of Nazareth. To Christians worldwide, he is the centerpiece of history, the object of faith, hope, and worship. Even those who do not follow him admit the vast influence of his life. With clarity and insight, biblical scholar Mark Strauss illuminates these four books, addressing the following important areas: The nature, origin, methods for study, and historical, religious, and cultural backgrounds of each of the Gospels; A closer study of the narratives and themes found in Matthew, Mark, Luke, and John and their contribution to our understanding of Jesus; A detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels. For anyone interested in knowing more about Jesus, study of the four biblical Gospels is essential. This fully updated textbook, together with its workbook, video lectures, and laminated sheet, gives students everything they need for a thorough and enriching study of Jesus and the Gospels.

[Four Portraits, One Jesus](#) Mark L. Strauss, 2007. To Christian believers, the Gospels record the greatest story ever told: the events of the life, death, and resurrection of Jesus, the Messiah. They narrate the climax and turning point in human history when God acted decisively to achieve salvation for people everywhere. To study the Gospels is to study the foundation of Christianity.

[The Cradle, the Cross, and the Crown](#) Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2016-08-15. *The Cradle, the Cross, and the Crown* guides serious New Testament students through the historical, literary, and theological dimensions of the biblical text, allowing them to better understand and share God's word of truth. 2 Tim 2:15. It offers a thorough

introduction to all twenty seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life long resource for students of Scripture

Handbook on the Gospels (Handbooks on the New Testament) Benjamin L. Gladd, 2021-06-01 A leading New Testament scholar provides an easy to navigate resource for studying and understanding the Gospels Written with classroom utility and pastoral application in mind this accessibly written volume summarizes the content of each major section of the biblical text to help students pastors and laypeople quickly grasp the sense of particular passages The series modeled after Baker Academic's successful Old Testament Handbook series focuses primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The book covers all four Gospels and explores each major passage showing how Jesus is the central figure of each plot It also unpacks how the Old Testament informs the Gospels

The Jesus of the Gospels Andreas Köstenberger, 2020-03-31 A reader friendly guide to the life and teachings of the Jesus of the Gospels The Jesus of the Gospels brings together the best elements of a survey of the Gospels and a commentary on the Gospels to help readers know Jesus and understand the good news Drawing on decades of experience teaching and writing on the Gospels Andreas Köstenberger presents a holistic portrait of Jesus by leading readers through an in depth study of Matthew Mark Luke and John Each chapter explores one gospel account beginning with a short introduction that highlights the gospel's individual distinctives followed by an outline of the book Köstenberger breaks each gospel into short sections explaining the meaning and how it sheds light on Jesus and His mission Numerous sidebars maps and diagrams highlight supplemental information and regular Recap sections summarize key points For those interested in further study footnotes point to useful resources In addition to helping readers follow the storyline and theology of each gospel Köstenberger also emphasizes practical application showing readers how to apply what they're learning to their lives Ideal for those who are new to the study of the Gospels and for instructors looking for an accessible introduction based on solid scholarship The Jesus of the Gospels offers readers and students to the riches of the Gospels and a deeper knowledge of Jesus and the good news

From Pentecost to Patmos, 2nd Edition Craig L. Blomberg, Darlene M. Seal, 2021-07-01 Pairing depth of scholarship with contemporary application the authors of From Pentecost to Patmos have produced a unique introductory New Testament textbook Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation showcasing the historical linguistic and theological implications found in each book This second edition includes expanded footnotes and a lengthier up to date introduction to Paul Newly added review questions maps and diagrams enhance the scholarship and make the resource truly user friendly

Jesus according to Scripture Darrell L. Bock, Benjamin I. Simpson, 2017-01-31 Updated Edition of a Bestselling Study

of Jesus and the Gospels In this work Darrell Bock a leading evangelical New Testament scholar who speaks and teaches around the world and Benjamin Simpson show that a coherent portrait of Jesus emerges from the four Gospels when they are taken seriously as historical documents When read together the Gospels provide a clear picture of Jesus and his unique claims to authority This book surveys all the Gospel units and relates them to their parallel passages showing how the literary and canonical relationships work Offering up to date interaction with the latest discussions about Jesus the second edition has been substantially revised and updated throughout and includes three new chapters on how we got the Gospels

Synoptic Composition Adam J. Christian, 2023-09-01 The fascination with literary dependency in the most popular approaches to the synoptic problem has been built upon a faulty presupposition that oral tradition is incapable of producing the word for word verbal agreement found in the synoptic accounts Recent research in the area of oral tradition has shown that this is not the case but we still rely on increasingly complicated literary models to explain the relationships between the Synoptic Gospels This book engages in comparative analysis of Old Greek quotations found in more than one of the Synoptic Gospels along with the material that surrounds these quotations The resulting conclusions indicate that oral sources may better explain the similarities and differences found in the Synoptic Gospels and that we ought to reexamine our foundational presuppositions in order to craft a better model for understanding the origins of the Synoptic Gospels The hope is that the reader will join the author in seeking to better understand these books that include the climax of the greatest story of all time the true story of people marred by sin and their creator who seeks after them as he redeems all things to himself

Grasping God's Word, Fourth Edition J. Scott Duvall, J. Daniel Hays, 2020-10-13 A Proven Approach to Help You Interpret and Understand the Bible Grasping God's Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves This book will equip you with a five step Interpretive Journey that will help you make sense of any passage in the Bible It will also guide you through all the different genres found in the Bible to help you learn the specifics of how to best approach each one Filling the gap between approaches that are too simple and others that are too technical this book starts by equipping readers with general principles of interpretation then moves on to apply those principles to specific genres and contexts Features include Proven in classrooms across the country Hands on exercises to guide students through the interpretation process Emphasis on real life application Supplemented by a website for professors providing extensive teaching materials Accompanying workbook video lectures laminated study guide sold separately This fourth edition includes revised chapters on word studies and Bible translations updated illustrations cultural references bibliography and assignments This book is the ideal resource for anyone looking for a step by step guide that will teach them how to accurately and faithfully interpret the Bible **Interpreting Gospel Narratives** Timothy Wiarda, 2010 Looking at fine details in the testimony to Jesus given in the Gospels professor Timothy Wiarda helps to enrich others Gospel exegesis and knowledge of Christ *The Doubt of the Apostles and the*

Resurrection Faith of the Early Church J. D. Atkins, 2019-08-02 Why do the Gospels depict the risen Jesus as touchable and able to eat J D Atkins challenges the common view that Luke 24 and John 20 are apologetic responses to docetism by re-examining the redaction of the appearance stories in light of their reception among early docetists and church fathers Page 4 of cover

A Trustworthy Gospel Daniel B. Moore, 2024-03-29 The trustworthiness of the Gospels rests not only on claims of inspiration but also on eyewitness testimony And our confidence in that testimony is directly related Daniel Moore contends to when the first Gospel was published Therefore it is incumbent upon Christians to consider whether an effective case can be made for asserting that the first Gospel was published within several years or perhaps a decade of the resurrection To this end this book offers a series of arguments demonstrating that an early publication of Matthew is reasonable defensible and preferable over the popular view that several decades passed before Gospels were published These arguments include a reasonableness argument that the early church had the means motive and opportunity to produce a Gospel an argument from the church fathers which also resolves supposed conflicts exegetical arguments from Galatians apologetic motivational arguments from Christian scholars over the last several centuries arguments based on ancient perspectives on aging memory and on the obligation of orators to write concerns which would have motivated the apostles to publish early and an explanatory power argument Ultimately the author will encourage the reader to view Matthew as the Messiah's royal chronicler
