

OVERGANGEN

"Ik vertrouw erop dat Hij Die in u een goed werk begonnen is, dat voltooien zal tot op de dag van Jezus Christus." (Filippenzen 1:6)

Overgangen bepalen de veranderingen tussen levensfasen: kinderjaren, jeugd, volwassenheid, ouderdom.

Er zijn ook overgangen in ons geestelijk leven. God neemt ons van bekering naar een volledige geestelijke volwassenheid (Hebr. 5:12-14).

Laten we de verandering bestuderen die de apostel Paulus heeft ervaren (AA [Handelingen der Apostelen], pag. 119, 120):

- ★ De diepste gedachten en emoties van zijn hart werden door goddelijke genade getransformeerd.
- ★ Zijn edelere vermogens werden in harmonie gebracht met de eeuwige doelen van God.
- ★ Christus en Zijn gerechtigheid werden voor Saul belangrijker dan de hele wereld.

Jeugd Tussen God En Chaos:

Youth Ministry Malan Nel, 2018-12-01 This book aims at contributing to the scientific and academic discourse as regards to the what and why of youth ministry Too often youth ministry has been approached from a mainly practical point of view almost asking how we keep young people off the streets Its methodology has often not included the theological and theoretical presuppositions that lie behind this ministry Previous scientific reflection has been determined by a one dimensional and almost exclusive point of view In comparison with existing literature this book does not focus so much on the how of youth ministry It innovates a different approach The book challenges the existing exclusive approach and develops an inclusive congregational and missional understanding of and approach to youth ministry From a particular perspective on the understanding the main objectives of Practical Theology the author endorses the so called movement of what is supposed to be going on He adds the outcome of an empirical round table discussion with some 16 leaders in this field on the descriptive and interpretive movements within the subject field what is going on and why is it going on The book will form the standard for any new research with regard to youth ministry The book s contribution lies on the level of sound theological reasoning and argumentation supported by many scholars for an inclusive congregational understanding of ministry as an integral part of every congregation being missional in being and doing Youth children adolescents and emerging adults are just as integral a part of every congregation within which they live and serve
