The Barbizon Paulina Bren, 2022-03-15 From award winning author Paulina Bren comes the captivating portrait The Wall Street Journal of New York's most famous residential hotel The Barbizon and the remarkable women who lived there Welcome to New York's legendary hotel for women Liberated from home and hearth by World War I politically enfranchised and ready to work women arrived to take their place in the dazzling new skyscrapers of Manhattan But they did not want to stay in uncomfortable boarding houses They wanted what men already had exclusive residential hotels with maid service workout rooms and private dining Built in 1927 at the height of the Roaring Twenties the Barbizon Hotel was designed as a luxurious safe haven for the Modern Woman hoping for a career in the arts Over time it became the place to stay for any ambitious young woman hoping for fame and fortune Sylvia Plath fictionalized her time there in The Bell Jar and over the years its almost 700 tiny rooms with matching floral curtains and bedspreads housed among many others Titanic survivor Molly Brown actresses Grace Kelly Liza Minnelli Ali MacGraw Jaclyn Smith and writers

Joan Didion Gael Greene Diane Johnson Meg Wolitzer Mademoiselle magazine boarded its summer interns there as did Katharine Gibbs Secretarial School its students and the Ford Modeling Agency its young models Before the hotel s residents were household names they were young women arriving at the Barbizon with a suitcase and a dream Not everyone who passed through the Barbizon s doors was destined for success for some it was a story of dashed hopes but until 1981 when men were finally let in the Barbizon offered its residents a room of their own and a life without family obligations It gave women a chance to remake themselves however they pleased it was the hotel that set them free No place had existed like it before or has since Poignant and intriguing The New Republic The Barbizon weaves together a tale that has until now never been told It is both a vivid portrait of the lives of these young women looking for something more and a brilliant many layered social history of women s ambition and a rapidly changing New York through the 20th century The Guardian **Joan Didion** Kathleen M. Dispatches from a Not-So-Perfect Life Faulkner Fox, 2007-12-18 When Salon.com published Faulkner Fox s article on motherhood What I Learned from Losing My Mind the response was so overwhelming that Salon reran the piece twice The experience made Faulkner realize that she was not alone that the country is full of women who are anxious and conflicted about their roles as mothers and wives In Dispatches from a Not So Perfect Life her provocative brutally honest and often hilarious memoir of motherhood Faulkner explores the causes of her unhappiness as

well as the societal and cultural forces that American mothers have to contend with From the time of her first pregnancy Faulkner found herself and her body scrutinized by doctors friends strangers and perhaps most of all herself In addition to the significant social pressures of raising the perfect child and being the perfect mom Faulkner also found herself increasingly incensed by the unequal distribution of household labor and infuriated by the gender inequity in both her home and others And though she loves her children and her husband passionately is thankful for her bountiful middle class life and feels wracked with guilt for being unhappy she just can't seem to experience the sense of satisfaction that she thought would come with the package She's finally got it all the husband the house the kids an interesting part time job even a few hours a week to write so why does she feel so conflicted Faulkner sheds light on the fear confusion and isolation experienced by many new mothers mapping the terrain of contemporary domesticity marriage and motherhood in a voice that is candid irreverent and deeply personal while always chronicling the unparalleled joy she and other mothers take in their children
