Bonnie Lowe has broken down the complex job interview process into a simple step by step system that you can use right now to achieve the best possible result: getting hired. It all boils down to one word: preparation. By going through each step of the Job Interview Success System, you will be better prepared and make a more favorable impression than any other candidate. The Job Interview Success System consists of three major elements: 1. what to do before the job interview, 2. what to do during the job interview, 3. and what to do after the job interview.
