Canon, Covenant and Christology Matthew Barrett, 2020-02-20 All Scripture is breathed out by God 2 Timothy 3:16 From Paul's epistles the divine inspiration of Scripture may be confidently affirmed as well as its corollary attributes However on turning to Jesus and the Gospels it is hard to find an explicit approach like Paul's Matthew Barrett argues that Jesus and the apostles have just as convictional a doctrine of Scripture as Paul or Peter but it will only be discovered if the Gospels are read within their own canonical horizon and covenantal context The nature of Scripture presupposed by Jesus and the Gospel writers may not be addressed directly but it manifests itself powerfully when their words are read within the Old Testament's promise fulfilment pattern Nothing demonstrates Scripture's divine origin divine authorial intent and trustworthiness more than the gospel of Jesus Christ In the advent of the Son of God the Word has become flesh announcing to Jew and Gentile alike that the covenant promises Yahweh made through the Law and the Prophets have been fulfilled in the person and work of Christ

Experiencing Gospel Gordon A. Jensen, 2023 Jensen's analysis of the 1534 Luther Bible uncovers a central truth of Luther's translation his commitment to producing this object was founded in his desire that receiving the gospel might become a lived experience Jensen demonstrates how the seven words and phrases Luther highlighted in his edition summarize his entire theological message

Swain,2017-11-21 Although the doctrine of eternal generation has been affirmed by theologians of nearly every ecclesiastical tradition since the fourth century it has fallen on hard times among evangelical theologians since the nineteenth century The doctrine has been a structural element in two larger doctrinal complexes Christology and the Trinity The neglect of the doctrine of eternal generation represents a great loss for constructive evangelical Trinitarian theology Retrieving the doctrine of eternal generation for contemporary evangelical theology calls for a multifaceted approach Retrieving Eternal Generation addresses 1 the hermeneutical logic and biblical bases of the doctrine of eternal generation 2 key historical figures and moments in the development of the doctrine of eternal generation and 3 the broad dogmatic significance of the doctrine of eternal generation for theology The book addresses both the common modern objections to the doctrine of eternal generation and presents the productive import of the doctrine for twenty first century evangelical theology Contributors include Michael Allen Lewis Ayres D A Carson Oliver Crisp and more **Trinity Without Hierarchy** Micheal F. Bird,Scott Harrower,2019-04-30 A defense of equality among the persons of the Trinity In response to those complementarian theologians who assert that the Son is eternally subordinate to the Father the contributors to Trinity Without Hierarchy contend that this view misconstrues the orthodox doctrine of the Trinity and reduces the Son to a lower level of glory and majesty than the Father Surveying Scripture church history and theology sixteen contributors present a defense of the full and equal authority of all three members of the Trinity while critiquing approaches that border on semi Arianism In particular the creedal confessions of Nicaea are upheld as the historical standard by which any proposed Trinitarian doctrine should be judged While some contributors hold complementarian and others egalitarian viewpoints all agree that Trinitarian relations are not a proper basis for understanding gender roles Trinity Without Hierarchy is indispensable reading for anyone interested in the current debate over the relationship between Trinitarian theology and the roles of men and women **Eerdmans Commentary on the Bible: Proverbs** Ronald E.
