The Book Tree Elizabeth McCallum, Jane Scott, 2008 Literary habits naturally give way to literary affections Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap Quick whose side are you on If you don't know we suggest reading a hearty round of fairytales Stories provide a roadmap for life This is because stories are life But oftentimes it's easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else somewhere else For those beginning to read for the first time or those beginning to read again The Book Tree will drop golden apples in your lap until you can climb high enough to pick for yourself

Parental Kidnapping in America Maureen Dabagh, 2011-12-08 In 2010 the U S Department of Justice reported an average of 200 000 cases of parental kidnapping each year More than just the byproduct of a nasty custody dispute parental kidnapping defined as one parent taking his or her child and denying access of the child to the other parent represents a form of child abuse that has sometimes resulted in the sale abandonment and even death of children This candid exploration of parental kidnapping in America from the eighteenth century to the present clarifies many misconceptions and reveals how the external influences of American social political legal and religious culture can exacerbate family conflict creating a social atmosphere ripe for abduction
