Cunningham, 2013-07-03 It seems that government wants to invade every part of our lives our workplace our religion even our families And now our debt As a small businessman I am appalled at the spending deficit year after year Dont our people in Congress know that even the interest on our national debt is a backbreaking load on our economy Perhaps we have too many lawyers roaming the Hallowed Halls and too few responsible businessmen The awful specter of death overwhelmed me Never again would I hear her bubbly laughter as she jumped into my lap to hug me Never again would she delight us with her little girl antics I begged God to spare her I confessed every sin I could remember It was not to be In His infinite wisdom God took her home Oh Susan I consider the Bible to be the most practical book ever written It teaches us how to live in a world that seems to consider honesty and integrity to be a fault It teaches purity in a world where chastity is pictured as unnatural It promotes self sacrificial friendliness to a grasping self seeking world It teaches us to live peaceably and finally it can prepare us for eternity
