## Kindergarten Graduation Poem

It seems like only yesterday  
That you came into our school  
Ready for new adventures  
And learning all the rules  
Our year together is over  
It seemed to go so fast  
We have to let you go now  
Into a whole new class

**Soda and Sleep** Paul Ennis, 2010-08-04 In late 2004 the young college graduate got her first look at the storefront office of the Canastota Bee Journal a well worn little newsroom just a hop and a skip from the old Erie Canal in Madison County New York Christine Ennis was the new Municipal Editor a title far grander than her starting paycheck but there were other compensations She was shown the ropes by a pair of experienced co workers who along with Christine did all the reporting wrote all the copy shot all the photos and made up all the pages for weekly publication The busy Bee ladies became close friends and Christine grew close to the community in the course of covering hundreds of events and hanging out with the people who made Canastota work or just made it a lot more interesting With all that hard work came the privilege of sounding off about any subject she wished when there was space in the paper for a column and the inspiration struck For Christine that was most weeks and the column Soda and Sleep was named for the caffeine and catnaps she finds essential for a happy life The Bee Journal has gone the way of many another newspaper in the early 21st century but the best of Christine Ennis's columns are right here in this book They cover a wide range of topics and emotions but mostly they're just like her bright and funny

**The Enigmatic Coat of Fathers** Yeong Hwan Choi, 2024-10-12 I am a writer And ironically I struggle with words Despite publishing books I often find more comfort in equations than in sentences Perhaps it's because I come from a

background in engineering and the sciences This latest book however is about my father Korean fathers unlike their Western counterparts are shaped by Confucian traditions They are stoic burdened with the weight of financial responsibility and rarely express emotion An emotionally detached son like me never truly understood his father And now this son is attempting to write about him But much like the first paragraph of this text this one also feels awkward How can someone who neither understands the emotions of others nor expresses his own write about family ties It s a contradiction I live with every day My father every day as he left for work wore a strange coat And now as his son a man defined by an XY chromosome and an inability to grasp emotions I find myself standing before his death attempting to decipher our emotions through numbers and formulas As you know South Korea faces a grave demographic challenge with low birth rates and an aging population The youth are avoiding marriage even shying away from relationships altogether Why is that Could it be in some way due to the mysterious coat When I was young Korean fathers seemed like towering mountains imposing distant unapproachable But when I faced my father s cold lifeless body why did those once broad shoulders seem so small and frail In this wheel of emotional contradictions can we ever truly understand one another This is the story of a son and his father intertwined in the equations of pain and the waves of emotion Have you solved the mystery yet     *Starlit Sand* C.J. Miller,2017-09-24 Can one hot night turn into forever The cautious lawyer burned by love Lauren Catalano refuses to let her recent failed marriage turn her cynical After an out of character tryst with a stranger on the beach Lauren learns her mystery man is rock superstar Noah Devereux The rockstar with a heart of gold Humiliated by scandal Noah questions the worth of his fame and fortune if all it earns him are hollow relationships and betrayal But Lauren s honesty and loyalty hit him hard The pursuit The more time Noah spends with Lauren the deeper he believes that she s the woman he needs in his life But Lauren resists falling for a man who might only be around for the summer or until someone else catches his eye Will Noah convince Lauren to believe in happily ever after or will their affair end in more heartbreak *Starlit Sand* is the first full length contemporary romance in The Ocean Sands series The other books in the series are 1 *Starlit Sand* A Rockstar Romance 2 *Golden Sand* A Billionaire Romance 3 *Midnight Sand* A Billionaire and Baby Romance 4 *Exquisite Sand* A Chef Romance     *Free to Be* Rev Don Bloch Ph.D.,2022-03-04 The message of the Bible is basically a call to freedom an idea supported by numerous scriptures Freedom is where God desires us Although He calls us to be free to work as kingdom builders *Free to Be* also calls us to become even closer to Him This Christian study explores the possibilities of how we can set ourselves free from long term bondage with the help of Jesus Intended both for those ministering to others dealing with past wounds and for those still struggling with the journey toward self worth and value of self and others It addresses barriers that may prevent you from reaching for freedom and provides a road map to help you get around those obstacles God s call upon our lives is to live in freedom with Him and with our neighbors There are many steps to this freedom but God s Word claims through the atoning sacrifice of His only Son Jesus our Messiah that we are free of our sinful nature And if we have the Son we are free indeed Uplifting and

personal this study and testimony encourages you to embrace God's call to freedom by drawing closer to Him The Kindergarten and First Grade, 1918 **Parent Up** Kelly Rippon, 2020-12-08 The ultimate guide to unlocking your child's potential and nurturing their growth in today's fast-paced world Kelly Rippon mother of Olympic medalist Adam Rippon empowers parents with the essential tools and strategies to raise resilient confident and successful children Drawing on her personal experiences as a parent Rippon provides actionable insights that will transform your approach to parenting With Parent Up you will discover how to cultivate a supportive environment that fosters your child's development unleashes their unique talents and encourages them to reach new heights including Empowering Communication Learn effective communication techniques to build strong parent-child bonds promote healthy dialogue and encourage open expression of thoughts and feelings Growth Mindset Discover how to foster a growth mindset in your child helping them embrace challenges persevere in the face of obstacles and develop a lifelong love of learning Resilience and Emotional Intelligence Equip your child with the emotional tools they need to navigate life's ups and downs build resilience and develop empathy and self-awareness Goal Setting and Motivation Uncover strategies to help your child set meaningful goals stay motivated and develop a strong work ethic preparing them for future success Nurturing Individuality Learn how to celebrate and cultivate your child's unique strengths and passions empowering them to pursue their dreams and become their best selves Building Strong Family Connections Explore techniques to create a harmonious and loving family environment strengthening bonds and promoting positive relationships between siblings and parents Kelly Rippon's expertise combined with the power of her insights and actionable advice will guide you on your journey to becoming the best parent you can be Foreword by Olympic medalist Adam Rippon Praise for Parent Up Parent Up is exactly the book parents need in our rapidly changing world It reminds today's teachers parents and caregivers that leadership requires empathy and the better we understand others the better we understand ourselves Michele Borba EdD author of *Unselfie: Why Empathetic Kids Succeed in Our All About Me World* Parent Up gives parents the confidence to raise our children in a way that works for our families and inspires resilience and self-sufficiency in our kids Lindsay Powers author of *You Can't F\*ck Up Your Kids: A Judgment-Free Guide to Stress-Free Parenting* Kelly shares relatable personal experiences in Parent Up that show us sometimes the difficult path leads to the best parenting Not always protecting our kids but allowing them to own the consequences of their actions helps them learn to be confident empathetic accountable and ultimately empowered to live their best lives It's no wonder her oldest son Adam achieved his Olympic dream and is a beloved sports figure Kristi Yamaguchi Olympic champion and New York Times bestselling author This book is a total joy Kelly Rippon is a remarkable mother of six remarkable children whose achievements are only surpassed by their integrity and goodness of heart Her book offers a wealth of advice for raising successful and compassionate children Warm witty and wise Kelly Rippon is a gift to all parents Priscilla Gilman author of *The Anti-Romantic Child: A Story of Unexpected Joy* *The Reading Specialist* Rita M.
