Entrepreneurship Heidi M. M. Neck,Emma L. L. Murray,Christopher P. Neck,2024 **Four Shades of Gray** Simon Peter Rowberry,2022-04-05 This first book length analysis of Amazon s Kindle explores the platform s technological bibliographical and social impact on publishing Four Shades of Gray offers the first book length analysis of Amazon s Kindle and its impact on publishing Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications then considers the consequences of having a single company control the direction of the publishing industry Exploring the platform from the perspectives of technology texts and uses he shows how the Kindle challenges traditional notions of platforms as discrete entities He argues that Amazon s influence extends beyond disruptive technology to embed itself in all aspects of the publishing trade yet despite industry pushback he says the Kindle has had a positive influence on publishing Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights an account of the digitization of books published after 1922 and a discussion of how Amazon s patent filings reflect a shift in priorities Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon doing so has had adverse consequences for publishers in the mid and long term limiting opportunities for developing an inclusive and forward thinking digital platform While it has forced publishers to embrace digital forms the Kindle has also empowered some previously marginalized readerships Although it is still too early to judge the long term impact of ebooks compared with that of the older technologies of clay tablets the printing press and offset printing the shockwaves of the Kindle continue to shape publishing Big Picture Parents Harriet Connor,2017-01-20 Being a parent in the modern world

is tough We are often overwhelmed with fear about damaging our children guilt about our imperfections and confusion about our role Harriet Connor knows these feelings well But hers is not just another parenting book full of shoulds and shouldn'ts to make you feel worse Rather she invites you to step back and consider the bigger picture What is the purpose of life and parenthood What are our human limitations How can we cope with our guilt and fear What are our family's values and how do we pass them on What is our family's structure and place within the wider community When she was desperate for answers Harriet Connor turned to the ancient wisdom of her ancestors the Bible She went looking for little pieces of grandmotherly advice but what she found was a grand vision a big picture that made sense of both life and parenthood Whether you are new to the Bible or have read it before you will not regret taking time to reflect on its message which has given comfort and guidance to generations of parents just like you

The Nazi Mind Laurence Rees, 2025-05-06 From an award winning historian comes a fresh analysis of the rise of Nazi extremism how such thinking gained popularity and why it is vital to fight burgeoning extremist movements today How could the SS have committed the crimes they did How were the killers who shot Jews at close quarters able to perpetrate this horror Why did commandants of concentration and death camps willingly and often enthusiastically oversee mass murder How could ordinary Germans have tolerated the removal of the Jews In *The Nazi Mind* bestselling historian Laurence Rees seeks answers to some of the most perplexing questions surrounding the Second World War and the Holocaust Ultimately he delves into the darkness to explain how and why these people were capable of committing the worst crimes in the history of the world From the fringe politics of the 1920s to the electoral triumph and mass mobilization of the 1930s and from the Holocaust through to the regime's eventual demise Rees charts the rise and fall of Nazi mentalities including the conditions that allowed such a violent ideology to flourish and the sophisticated propaganda effort that sustained it Using previously unpublished testimony from former Nazis and those who grew up in the Nazi system and in depth insights based on the latest research of psychologists *The Nazi Mind* brings fresh understanding to one of the most appalling regimes in history

Historical Dictionary of Malaysia Ooi Keat Gin, 2017-12-18 Malaysia is one of the most intriguing countries in Asia in many respects It consists of several distinct areas not only geographically but ethnically as well along with Malays and related groups the country has a very large Indian and Chinese population The spoken languages obviously vary at home although Bahasa Malaysia is the official language and nearly everyone speaks English There is also a mixture of religions with Islam predominating among the Malays and others Hinduism and Sikhism among the Indians mainly Daoism and Confucianism among the Chinese but also some Christians as well as older indigenous beliefs in certain places This second edition of *Historical Dictionary of Malaysia* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Malaysia
