The Pathway to Success Pastor S. O. Nnadikwe, 2018-06-29 The book is divided into two parts with an introduction Part 1 has four chapters and part 2 has three chapters Part 1 is kingdom keys for succeeding in life and part 2 is principles for success The book has seven chapters in whole The book is all about succeeding in life and there are pathways you must follow to get there Apparently success is not a destination but a movement upward from one level to the next level Success can become a failure when you don't continue moving forward Success of yesterday can become failures of today if there is no further progress Through this book you will understand that failure is a confession as success is So when you say it is impossible you become a failure indeed Even God cannot help you until you change your confession Failure is the beginning of success because it tells you to try it again And in doing it again you win Through this book you will also learn how to invest in God's kingdom obey his word and manage your life and time in others to get to your wealthy place There is a wealthy place God has prepared for you and he wants you to get there The pathway to success is summed up in the following Don't lose the sight of God You will learn that if you lose the sight of God you will lose sight of greatness King Uzziah lost sight of God as well as Apostle Judas Iscariot Both never became great Succeeding through the force of labor You will understand that your wealth success or prosperity is traceable to your assignment or God's purpose you are carrying out There is no entitlement in title bearing It is the work you do that bears the title and brings about your wealth Invest in the kingdom of God Here in this chapter you will learn how to serve God properly You will also know that if you don't service your purpose your purpose will become purposeless Kingdom investment is what brings life increment Whatever that is saved in God's hands is secured and generates wealth There is a bank of heaven and given is the channel through which you store up treasures in the bank and righteousness is the medium through which you activate it for withdrawal and through the name of Jesus withdrawal is made possible Patience is a divine factor that stabilizes your faith for effective performance in any given areas of life Obedience is one of the spiritual tests for succeeding in life You will get to understand that when you obey God's Word natural and even spiritual things will obey you Application is the scientific way of getting answers to any equations of scientific nature and so it is in the kingdom of God Manage your life You will know that God created you to be a leader and a manager Management is the key to enthronement You will manage your life through planning organizing directing and controlling Manage your time wisely You will get to understand that time is the currency of life and the key to fulfillment Time management is the proper use of time to achieve all your goals and prioritizing them according to importance Time management will help you prioritize know your objective plan very well and then schedule your task Discipline helps to maintain sanity and prepares one for future glory

Volume 1 Reverend Daniel Arthur White, 2025-04-22 This Book is a collection of powerful prayers that have been inspired by the Word of God and has been tested in the fire of personal experience Each prayer has been crafted to help believers connect with God and experience the

power of God in their lives As a servant of God Pastor White has witnessed the impact that prayer can have on individuals families and communities He has seen prayers answered miracles performed and lives changed **Go Get Your Stuff! Using Kingdom Principles & Common Sense To Enjoy The Life of Your Dreams** , The God DNA, Glenford G. Christie, 2010-12 In the book THE GOD DNA The author affirms that the God DNA is not found in the molecules of man s cells but in the genetic composition of the new nature that produces the fruit of the Spirit It is through this DNA that our spiritual paternity bears witness with the Holy Spirit that we are the children of God our birth certificate therefore has the family name of God and as such we are entitled to all that is in the kingdom of God The book exposes us to godlike traits found in the efficiency of the blood Christ transmitted to us by the radical experience called regeneration God teaches us what is required to operate at the level of faith for those with the GOD DNA Glenford Glen Christie is an ordained Pastor and Evangelist He believes in the exposition of the word and the manifested power of God through the empowering of the Holy Spirit He is considered a man of great faith who stands on the word of God with unwavering confidence and expectancy REV Christie is also the broker owner of The Aslan Group Realty they reside in Coral Springs Florida with their gift from God daughter Rebekah Glenn *A Writers Journey* Patrick J Vaughan, 2014-11-02 This initially did not start out as my journey or even as a book It began as smaller blogs on my Facebook page TRUTH FOR TODAY I headed this blog up as Writing of the Week Each week I would write about one of the books I have written These not only promoted these books but also there was a lot of insight written in them There was a lot of history of the past several years when I started becoming an Christian Author I began this journey in 1997 maybe even some preparation and rejection several years earlier I decided to compile all of these blogs into one file I thought that this might be a good thing to place on my author page as an introduction to myself and my writings I started reviewing these and these not only told about each book and subject matter but also about my history that I was going through It told of my success and also told of my failures It revealed my frustrations but also revealed my faith It revealed my faith my walk with the Lord over several years and also how I had grown in that walk Honestly I stand back and look at all these and am amazed at what the Lord had built Yes I said what the Lord has built through me These also tell about me Tells about me as a writer but also tells about me as a person You get to know the content of these writings but you get to know the writer of all these books Maybe it would still have been a good post on an author page but the more I looked at this and read this it has so much information and teaching it also is a great book and biography on myself This will teach you how to get into writing if you are interested It will teach you about electronic book technology First you have to have the desire to write but this technology is really simple once you learn this and dive into it It doesn t matter if you are a Christian Author a children s book author a non fiction or fiction author The process is the same It is virtually no cost to you but can reap many benefits I thought making this free was a good idea but at low cost there is so many values and benefits to buying I know you will find this interesting and insightful You will learn much in this one writing

that you would learn in years of experience It will make you think and meditate about many subjects It will test and try your faith But it will motivate you to begin Everything begins with just one step one small step of faith At the very least it will introduce you to the different books I have written and which ones may be of more interest to your particular tastes or what you may be going through and thinking about now Be Blessed in all you do Do everything as unto the Lord and you will prosper in all you do
