lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Chicago Tribune Index ,1994 *Cosmopolitan* ,1959 **Killer in the Mist - LL** Steve Whitman,2015-12-22 He woke up bruised and broken unsure how he made it to the hospital But thanks to his longtime partner Tom Holt Gunner Mason has lived to see another day While facing the ordeal of their lives in the backwoods of Long Brook Maine the two guides were shocked to learn the true identity of the man who had killed several members of their hunting party But now after informing law enforcement that the perpetrator was not in fact the notorious serial killer Douglas Farraday they re facing more questions than answers and the reputation of their business is on the line In order to reclaim their public image and avoid prosecution Tom and Gunner find themselves back in the woods yet again pressured by county sheriff Alex Bowlin into joining a massive manhunt for the newly escaped Farraday But while the killer is watching and waiting even greater dangers lurk within the untamed wilderness and the truth is much darker and more disturbing than they could ever imagine In this action packed sequel to **Killer in the Mist** unexpected alliances lead to a chance for revenge and surprises lurk around every corner **Killer in the Mist - III** Steve Whitman,2016-05-10 They went into the woods to hunt down a serial killer and barely escaped with their lives But for Maine guides Gunner Mason and Tom Holt the real threat lurking in those woods was more shocking than they ever imagined Rather than the murderous Farraday the guides found themselves fighting another force who claimed the lives of countless police and law enforcement personnel Now with no evidence to back up their extraordinary claims the group faces scrutiny and harassment by law enforcement determined to find out exactly what is going on deep in the wilderness of Northern Maine When the area s savage killings suddenly stop and begin in another section of the country the guides find themselves with time to relax expand their guiding business and in the case of Gunner and Pam develop their newly found relationship But in the midst of joyful revelations new dangers await Farraday is back in town and in the wake of a devastating kidnapping Gunner and Tom s only hope is to face off against a formidable enemy once again both lurking in and out of the woods of Maine In the exciting third installment of the **Killer in the Mist** series shocking secrets are revealed as a breathtaking battle for revenge leaves bloodshed throughout the untamed wilderness

Adirondack Hal Lazar,2006-05 Adirondack is an adventure suspense tale of murder and survival in the mountains of upstate New York Most of the action occurs near the High Peaks region of the Adirondacks a land beautiful and terrifying a wild place that can bring out the best and the worst in people darkly intimidating and dangerous at times yet strangely electrifying and inspiring It is a primeval land that asks nothing of you but will take all that you have and in return will give you hope and love of life and strength of spirit A ten year old lad and a young woman flee for their lives unprepared as it were for survival in the wilderness and with little more than their wits to guide them All the while they are being pursued by

a psychotic killer and his partner both of whom are determined to kill them because they know too much about their criminal plans The boy s father and the young lady s former boyfriend a cop from Allentown Pennsylvania join the Kentville Police on a dangerous search in the northern woods The story weaves together an unlikely collection of characters into a spellbinding chase through the mountains with episodes of high risk rock climbing angry and deadly confrontations and horrifying deaths for some of the searchers The novel begins with the early years of two hoodlum brothers in 1940 s Brooklyn and eventually has them forming a dangerous alliance with a former cellmate a vicious and cold blooded killer with no compunctions for killing The time then shifts to the late 1950 s when the old alliance reforms The plot involves a diamond smuggling deal which was to be consummated in a rendezvous at an upstate New York lake The plan falls apart when a series of unexpected events occur including the kidnapping of a young lad from Ithaca who overhears the brothers talking and the subsequent murder of five innocent townspeople by the brothers psychotic partner The disillusioned girlfriend of one of the kidnappers escapes with the lad into a harrowing adventure in the Adirondack mountains where death may be imminent and survival is a matter of will to live It is a coming of age story whereby the boy changes from a lad of low self esteem to one inspired to heroic deeds It is also a story which shows how the wilderness changes people where a frightened and self serving young woman becomes compassionate and courageous in the presence of constant danger where the young boy s father searching for his son changes from a stuffy white collar gentleman to a competent mountain climber and a wilderness survivor and finally where a psychotic ex con becomes motivated by a crazed and sadistic need to hunt and kill the boy and his lady companion In writing Adirondack I have drawn upon my hiking and climbing experiences in the Adirondack mountains I ve been inspired by the vastness of these mountains the superb majesty of the great peaks the deep gorges immense forests and numerous lakes It is a land I hope will remain forever wild
