Kingdom Rising Making The Kingdom Real In Your Life:

Kingdom Rising Todd Bentley, 2011-07-28 Kingdom Rising comprises teachings that came about through Todd's popular Kingdom School lessons and CD's and also more recent rhema words, visions and encounters he has since had concerning the advancement of the kingdom of God and the reality of on earth as it is in heaven. Now Scripture teaches us that Christ's kingdom is within us and all around us. When Jesus showed His disciples how to pray, He spoke directly to His Father: "Your kingdom come, Your will be done on earth as it is in heaven." Matt 6:9. God wants us to learn how to bring the reality of the kingdom of heaven right into our midst here on earth as Jesus did. This radical and biblically sound teaching will ignite a roaring passion for Jesus in the hearts of believers for the glory of God. Readers will discover how to access the realm of as it is in heaven in every earthly circumstance. They will discover the gospel of power and the very dynamics of being a kingdom ambassador with the power and the authority to cast out devils, heal the sick and raise the dead. They will discover and learn how to access every spiritual inheritance that God has promised is ours, but most of all, Kingdom Invasion prepares us to passionately introduce the lost to Jesus in a way that deeply touches them. It compels God's children to present the kingdom of God in power everywhere. This is the appointed time, the set time to take the kingdom of God into the streets and invite the poor, the sick, the blind and the captive to come to Jesus' banqueting table. Kingdom Invasion equips believers for this glorious task.

The Suicide of American Christianity Michael D. LeMay, 2012-05-11 American Christianity is dying a slow death at its own hands. Instead of positively affecting the secular culture, we are being infected by it under the guise of being seeker friendly and loving. Soon the church may be an exact mirror of the culture that seeks to destroy us. With a lack of strong principled leaders and with followers who want their ears tickled instead of being challenged to pursue righteousness, American Christianity is writing its own epitaph as it slowly dies. Unless we reverse course by embracing the complete absolute truth of God's Word and stop trying to redefine God in our selfish human image, only a remnant will remain from a once powerful church. Do we have the courage to challenge our leaders and ourselves to reject secular culture and its influences? Or will we continue to die a slow death at our own hands as we continue to inhale the cancer of secular humanism? Time is running out.

The Devil's Redemption : 2 Volumes Michael J. McClymond, 2018-06-05 2018 Book Award Winner. The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019. Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness? Will even the devil be redeemed? Addressing a theological issue of perennial interest, this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty-first century and offers an interpretation of how and why universalist belief arose. The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical, philosophical and theological standpoint. He shows that the effort to extend grace to everyone undermines the principle of grace for anyone.

Just RISE UP! Sarah Francis Martin,InScribed,2014-10-14 Sarah remembers the exact moment when the relationship between her faith and her entire life came into clear focus Sitting in her favorite red chair with a comfy blanket and a cup of hot tea she snuggled in with her Bible and a new book The book was huge several hundred pages long and yet it didn t intimidate her Written by the beloved Chuck Colson How Now Shall We Live focused the lens of Sarah s life and spelled out a segregation that she had unknowingly been living with a segregation between her faith and the rest of her life She has since come to understand that The Lord designed each and every one of us uniquely and put a dream in our heart that is attached to His agenda for this world Many of us have felt the stirring in our heart to make a difference with our life yet we don t always know how The key she found was to surrender to God s leading seek him first and allow him to do the big things He has planned with our life In the end God s agenda and our dreams and passions will intersect around one very important phrase a battle cry if you will Make Jesus Famous Based on Psalm 145 this invigorating study motivates women to do life differently by making Jesus famous in all aspects of life Just RISE UP is a call to get off the couch of complacency live a life of praise with a humble posture and Kingdom perspective and step into a life of true purpose Features include Verse by verse study of Psalm 145 Snippets of conversations with Sarah s readers Journaling prompts to help the reader dig deeper Conversation guide for small groups **The Kingdom Life Approach** Willie Thomas Butler,2011-10 This book is about the stark contrast between the Kingdom of God and the economic political and social systems we live by every day The world s
