immersive ethnography Tony Tian Ren Lin explores the reasons that Latin American immigrants across the United States are increasingly drawn to Prosperity Gospel Pentecostalism a strand of Protestantism gaining popularity around the world Lin contends that Latinos embrace Prosperity Gospel which teaches that believers may achieve both divine salvation and worldly success because it helps them account for the contradictions of their lives as immigrants Weaving together his informants firsthand accounts of their religious experiences and everyday lives Lin offers poignant insight into how they see their faith transforming them both as individuals and as communities The theology fuses salvation with material goods so that as these immigrants pursue spiritual rewards they are also perhaps paradoxically striving for the American dream But after all Lin observes prosperity is the gospel of the American dream In this way while becoming better Prosperity Gospel Pentecostals they are also adopting traditional white American norms Yet this is not a story of smooth assimilation as most of these immigrants must deal with the immensity of the broader cultural and political resistance to their actually becoming Americans Rather Prosperity Gospel Pentecostalism gives Latinos the logic and understanding of themselves as those who belong in this country yet remain perpetual outsiders

Wildlife Study , 1976 **Biblical Studies on the Internet** Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen *Christianity in Crisis 21st Century* exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given

way to an increasingly bizarre array of fads and formulas When All the Saints Come Marching In Rita Edkins, 2015-04-13
