Richard Reiman,2020-03-20 Of all the questions that surround the assassination of President John F Kennedy the most  
elusive is the question of motive Writers great and small from Norman Mailer to the conspiracy community have agreed on  
one thing an understanding of the motivation of Lee Harvey Oswald would go a long way to answering any lingering  
questions of his role in the assassination In a trial motive need not be proved Murdered by Jack Ruby just two days after the  
death of the president Oswald would never be tried But Americans expected their government to explain the assassination by  
explaining the assassin The Warren Commission tried but gave up the attempt to explain Lee Harvey Oswald a most  
complicated man In this article length essay an historian looks at where we are in 2020 on this question and how far we have  
come toward resolving this question Historians have by and large avoided the assassination lest they be tainted by being  
seen rubbing shoulders with the conspiracists This has left the field wide open for writers who have had axes to grind but  
little fidelity to the rules of evidence or the standards of truth This article length piece provides an overview of how the  
question of motive has been answered in the past and how it might be investigated today after fifty seven years      **Ocr**

Barry Krusch,2012-06-01 Why is this book one of the top 10 topics discussed in the history of the JFK ASSASSINATION  
FORUM web site Answer 25 000 Want that money It s all yours Just win The 25 000 JFK Challenge No need to describe the  
rules now the main details are here in Volume One but know this it s for real which is why it has caught the interest of the  
people on the forum Difficult to win Nah child s play Just listen to these words from ace prosecutor Vincent Bugliosi Only in a  
fantasy world could Oswald be innocent and still have all this evidence against him I think we can put it this way If Oswald  
didn t kill Kennedy then Kennedy wasn t killed on November 22 1963 But the author of IMPOSSIBLE says Bugliosi is wrong  
Now who are you going to believe best selling author Bugliosi a prosecutor with over 100 felony convictions to his credit or  
some nobody writer no one has heard of So download this book for free on the 22nd and be the first on your block to claim  
the prize And tell all your Facebook friends who think Oswald did it their bounty awaits Oh before you go just one more thing  
Bugliosi and Stephen King who wrote there was a 98% chance that Oswald was guilty haven t accepted the Challenge yet

Nor have any of the dozens of lone assassin theorists to whom the offer has been made on internet forums including Francois Carlier and David Von Pein who is probably the third most knowledgeable person on the assassination after Bugliosi and John McAdams Now why would that be Don t they want that free money
