Oldfield,2021-05-24 Many have pontificated about church growth telling church planters and pastors how to increase the number of attendees and members Most have spoken

authentically from inspiring experiences and what they've recommended has worked at least for some. But what about advice on how to reduce those numbers, how to empty those pews? This manual provides just that, and its suggestions don't emanate from an ivory tower; they too are based on real-life experiences. The insights and guidelines of *How to Empty a Church* may be expressed tongue-in-cheek, but they're not fictional; they reflect the history of an actual congregation. Fasten your seatbelt; it's going to be a bumpy but worthwhile ride.

The Believer's Guide to Salvation Larry Craddieth, 2020-04-15 This book is designed to give guidance and more understanding of God's word. This, in return, will enhance your spiritual life. It goes into detail for each subject and discusses activities a confessed believer should engage in. One of the greatest emphases in the book is placed on your ability to believe. This is by God's grace. For grace are ye saved through faith, and that not yourselves; it is the gift of God. Eph 2:8. The book will enhance your understanding of just what is happening to you as a chosen vessel of God, and that Christ through your faith and God's design is truly in control of your life, looking unto Jesus, the author and finisher of our faith. Heb 12:2. As mentioned, the book goes into detail about the things a confessed believer should engage in. These are things that are pleasing to the Lord. If the things mentioned are abided in, the Spirit will become more and more evident in your life. We have a short time on earth to prepare for our eternal future. This book, with the help of the Spirit, is designed to help in the preparation for eternal life. This book is dedicated to my beloved father and brother, Frank Craddieth Sr. and Lamond Craddieth.
