- i) Which way do you think provides safety to the person disposing garbage?  
ii) What are the dangers of collecting garbage in the manner shown in the first photograph?  
iii) Why do you think that proper ways of disposing garbage are not available to those who work in municipalities?

Answers: i) The second photograph shows the safe way of disposing garbage.  
ii) In the first photograph, the workers may get injured. He may get infected and may fall sick.  
iii) This can be because of two reasons. First reason is lack of fund to buy proper equipments. The second reason is lack of awareness among workers as well as among the officers.

Q7 Several poor people in the city work as domestic servants as well as work for the Corporation, keeping the city clean. Yet the slums in which they live are quite filthy. This is because these slums seldom have any water and sanitation facilities. The reason often given by the Municipal Corporation is that the land in which the poor have set up their homes does not belong to them and that slum-dwellers do not pay taxes. However people living in middle class neighbourhoods pay very little in taxes compared to the amount of money the corporation spends on them in setting up parks, street lighting facilities, regular garbage collection etc. Also as you read in this chapter, the property taxes collected by the Municipality makes up only 25-30 per cent of its money. Why do you think it is important that the Corporation should spend more money on slum localities? Why is it important that the Municipal Corporation provide the poor in the city with the same facilities that the rich get?

Answers: Slums are also integral part of a city. The slum dwellers contribute immensely. They provide various services to the middle class people. Moreover, if an epidemic spreads in a slum it will also affect the middle class locality. So maintenance of cleanliness in slums is as important as in middle class locality.

The Government of India launched the Swachh Bharat Mission on 2 October 2014 to promote cleanliness in both rural and urban areas all over the nation. Under the "Swachh Bharat, Swachh Vidyalaya" campaign, many activities are also being carried out in schools to generate awareness on sanitation and hygiene amongst students. Observe the ways in which "Swachh Bharat Abhiyan" is being implemented by municipality / panchayat in your locality. Prepare a poster and display it in your school.
