*Let It Bang* RJ Young,2018-10-23 A young black man s funny and searing quest to learn to shoot and a fascinating odyssey into race guns and self protection in America The most RJ Young knew about guns was that they could get him killed Until recently married to a white woman and in desperate need of a way to relate to his gun loving father in law Young does the unimaginable he accepts Charles s gift of a Glock Despite or because of the racial rage and fear he experiences among white gun owners Ain t you supposed to be shooting a basketball Young determines to get good really good with a gun Let It Bang is the compelling

story of the author's unexpected obsession he eventually becomes an NRA certified pistol instructor and of his deep dive into the heart of America's gun culture what he sees as the domino effect of white fear white violence black fear rinse repeat Young's original reporting on shadow industries like US Law Shield which insures and defends people who report having shot someone in self defense and on the newly formed National African American Gun Association gives powerful insight into the dynamic Through indelible profiles Young brings us up to the current rocketing rise in gun ownership among black Americans most notably women Let It Bang is an original look at American gun culture from the inside and the other side and most movingly the story of a young black man's hard won nonviolent path to self protection We need more books like this personal emotional meditations on gun ownership showing us all the ways in which guns take on meaning for people and what happens when those meanings collide Pacific Standard

**Violent Games** Gareth Schott, 2016-07-28 It was over a decade ago that experimental psychologists and media effects researchers declared the debate on the effects of violent video gaming as essentially over referring to the way violence in videogames increases aggressive thoughts feelings and behaviors in players Despite the decisive tone of this statement neither the presence nor popularity of digital games has since diminished with games continuing to attract new generations of players to experience its technological advancements in the narration of violence and its techniques of depiction Drawing on new insights achieved from research located at an intersection between humanities social and computer sciences Gareth Schott's addition to the Approaches in Digital Game Studies series interrogates the nature and meaning of the violence encountered and experienced by game players In focusing on the various ways violence is mediated by both the rule system and the semiotic layer of games the aim is to draw out the distinctiveness of games exploitation of violence or violent themes An important if not canonical text in the debates about video games and violence Violent Games constitutes an essential book for those wishing to make sense of the experience offered by games as technological aesthetic and communicational phenomena in the context of issues of media regulation and the classification of game content as violence

**Lock, Stock, and Barrel** Clayton E. Cramer, 2018-02-21 This provocative book debunks the myth that American gun culture was intentionally created by gun makers and demonstrates that gun ownership and use have been a core part of American society since our colonial origins Revisionist historians argue that American gun culture and manufacturing are relatively recent developments They further claim that widespread gun violence was largely absent from early American history because guns of all types and especially handguns were rare before 1848 According to these revisionists American gun culture was the creation of the first mass production gun manufacturers who used clever marketing to sell guns to people who neither wanted nor needed them However as proven in this first scholarly history of gun culture in early America gun ownership and use have in fact been central to American society from its very beginnings Lock Stock and Barrel The Origins of American Gun Culture shows that gunsmithing and gun manufacturing were important parts of the economies of the colonies and the early republic and explains how the American

gun industry helped to create our modern world of precision mass production and high wages for workers      **Gun Digest, 1992** Ken Warner, 1991-07 With sales of nearly a quarter million copies each year Gun Digest is the most authoritative book on the subject of firearms available today The front half of the book consists of the best writing available on firearms subjects The back half of the book consists of a complete catalog of all firearms manufactured in or imported to the U S with full specifications and prices      The Arms Trade Treaty: A Commentary Andrew Clapham, Stuart Casey-Maslen, Gilles Giacca, Sarah Parker, 2016-07-28 The United Nations Arms Trade Treaty became binding international law in late 2014 and although the text of the treaty is a relatively concise framework for assessing whether to authorize or deny proposed conventional weapons transfers by States Parties there exists controversy as to the meaning of certain key provisions Furthermore the treaty requires a national regulatory body to authorize proposed transfers of conventional weapons covered by the treaty but does not detail how such a body should be established and how it should effectively function The Arms Trade Treaty A Commentary explains in detail each of the treaty provisions the parameters for prohibitions or the denial of transfers international cooperation and assistance and implementation obligations and mechanisms As states ratify and implement the Treaty over the next few years the commentary provides invaluable guidance to government officials commentators and scholars on the meaning of its contentious provisions This volume describes in detail which weapons are covered by the treaty and explains the different forms of transfer that the Arms Trade Treaty regulates It covers international human rights trade disarmament humanitarian law criminal law and state to state use of force as well as the application of the treaty to non state actors      Gun Digest, 1984 Books Inc Dbi, 1983-07      **Detective in the White City** JD Crichton, 2017-12-05 The remarkable biography of the uncompromising and relentless detective who investigated one of America s first serial killers the man known as the Devil in the White City H H Holmes and others like him This extraordinary historical biography provides a chronological account of Frank Geyer s life and features murder cases that made national headlines and the history of one of America s largest police departments complete with 95 rare illustrations and photos History like never before Who was the world s famous detective who outsmarted criminals from the Gilded Age and whose wife and daughter never died in a fire like scholars claimed Featuring Geyer s incredible investigation of H H Holmes death of Benjamin Pitezel the horrific discovery of the missing Pitezel children Holmes trial and a Devil in Him chapter Mary Hannah Tabbs and the gruesome torso murder Modern Borgia killer Sarah Jane Whiteling the first woman hung in Philadelphia White Chapel Row Mrs Annie Gaskin and the killer cat Top secret search in Rio de Janeiro Fake highwaymen murder for insurance and plot to kill Detective Geyer Law enforcement and Philadelphia history Reuben Geyer in the Civil War President Franklin Pierce and Franks hometown Truth about Geyer s wife and daughter with Sources List of Illustrations and Credits Bibliography Notes and Index 95 rare historical illustrations and photos restored      **Ruger and His Guns** Robert L Wilson, 2015-11-10 This book is the story of William B Ruger s dedication to providing traditional yet innovative

design and to manufacturing excellence Products are sold at a reasonable price for a broad ranging clientele from the ordinary citizen to the president of the United States This richly illustrated beautifully presented work is the official history of William B Ruger of Sturm Ruger Co and of Ruger firearms featuring more than 185 color and over 100 black and white illustrations Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

**Police Use of Force under International Law** Stuart Casey-Maslen, Sean Connolly, 2017-08-10 Policing is commonly thought to be governed by domestic legal systems and not international law However various international legal standards are shown to have an impact in situations where police use force Police Use of Force under International Law explores this tension in detail for the first time It critically reviews the use of force by law enforcement agencies in a range of scenarios against detainees during protests and in the context of counterterrorism and counterpiracy operations Key trends such as the growing use of private security services are also considered This book provides a human rights framework for police weaponry and protection of at risk groups based on critical jurisprudence from the last twenty years With pertinent case law and case studies to illustrate the key principles of the use of force this book is essential reading for anyone interested in policing human rights state use of force or criminology

**Guns in America** Donald J. Campbell, 2021-08-09 This work provides readers with an authoritative resource for understanding the true extent and nature of gun violence in America examining the veracity of claims and counterclaims about mass shootings gun laws and public attitudes about gun control This work is part of a series that uses evidence based documentation to examine the veracity of claims and beliefs about high profile issues in American culture and politics Each book in the Contemporary Debates series is intended to puncture rather than perpetuate myths that diminish our understanding of important policies and positions to provide needed context for misleading statements and claims and to confirm the factual accuracy of other assertions This particular volume examines beliefs claims and myths about gun violence gun laws and gun rights in the United States Issues covered in the book include trends in firearm violence mass shootings the impact of gun ownership on rates and types of crime regulations and Supreme Court decisions regarding gun control and the Second Amendment and the activities and influence of organizations ranging from the National Rifle Association to Everytown for Gun Safety All of these topics are examined in individualized entries with objective responses grounded in up to date evidence

## **Gun Digest 2015 Introduction**

In today's digital age, the availability of Gun Digest 2015 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gun Digest 2015 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gun Digest 2015 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gun Digest 2015 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gun Digest 2015 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gun Digest 2015 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gun Digest 2015 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Gun Digest 2015 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gun Digest 2015 books and manuals for download and embark on your journey of knowledge?
