Altsheler,2009-03 An epic tale of the war between the States This is volume one incorporating the two novels The Guns of Bull Run The Guns of Shiloh the first and second novels of a series of eight adventures which follow the momentous events campaigns and battles of the great American Civil War between the Northern and Southern states The central characters of the story are Harry Kenton an officer in the Confederate Army and his cousin Dick Mason a young officer in a similar position fighting within the Union ranks The narrative of the whole war is charted through the action which embraces many actual players in the real conflict Beginning with First Bull Run and climaxing at Appomattox each novel tells the story from an alternate perspective from the ranks of the Blue and then the Grey as the saga unfolds Altsheler wrote another Civil War novel Before the Dawn concerning the fall of Richmond told from a Confederate perspective Although this story is not strictly part of the series Leonaur have offered it as part of its five volume nine novel collection of the author s Civil War adventures for collectors and readers in complementing designs and soft cover or hard cover **The Civil War Series Book 2 the Guns of Shiloh** Joseph Alexander Altsheler,2013-07-13 The four as they skirted the Southern line noticed no signs of further preparations by the Confederates No men were throwing up earthworks or digging trenches As well as they could surmise the garrison like the besieging army was seeking shelter and rest and from this fact the keen mind of Colonel Arthur Winchester divined that the defense was confused and headless Colonel Winchester knew most of the leaders within Donelson He knew that Pillow was not of a strong and decided nature Nor was Floyd who would rank first of great military capacity Buckner had talent and he had served gallantly in the Mexican War but he could not prevail over the others The fame of Forrest the Tennessee mountaineer was already spreading but a cavalryman could do little for the defense of a fort besieged by twenty thousand well equipped men led by a general of unexcelled resolution All that Colonel Winchester surmised was true Inside the fort confusion and doubt reigned The fleeing garrison from Fort Henry had brought exaggerated reports of Grant s army Very few of the thousands of young troops had ever been in battle before They too suffered though in a less degree from cold and fatigue but many were wounded Pillow and Floyd who had just arrived with his troops talked of one thing and then another Floyd who might have sent word to his valiant and able chief Johnston did not take the trouble or forgot to inform him of his position Buckner wanted to attack Grant the next morning with the full Southern strength and a comrade of his on old battlefields Colonel George Kenton seconded him ably The black bearded Forrest strode back and forth striking the tops of his riding boots with a small riding whip and saying ungrammatically but tersely and emphatically We mustn t stay here like hogs in a pen We must git at em with all our men afore they can git at us The illiterate mountaineer and stock driver had evolved exactly the same principle of war that Napoleon used **The Guns**

The Guns of Shiloh: A Story of the Great Western Campaign Joseph Alexander Altsheler, 2018-04-21 **The Guns of Shiloh** Joseph A. Altsheler, 2012 The Civil War Series Volumes 1-2 (the Guns of Bull Run/Shiloh) Joseph Alexander Altsheler, 2013-07-13 A shudder shook him now A rope was the fate for a spy But he recovered himself and walked on faster than ever The cabins thinned away and he saw before him bushes His keen hearing brought to him the soft sound of the pursuing footsteps Now he took his resolution There were few games at which two could not play He passed between two bushes came around and returned to the open But he returned with one of the pistols cocked and levelled his finger on the trigger Shepard pursuing swiftly walked almost against the muzzle and Harry laughed softly Well Mr Shepard he said you've followed me well but as I've no mind to be hung for a spy or anything else I must ask you to go back You have the advantage at present it is true said Shepard but what makes you think I was going to shoot at you or have you seized Isn't it what one would naturally expect Yes perhaps But I could have given the alarm while you were still in the city I speak the truth when I say I do not know just what I had in mind But at all events the tables are turned You hold me at the pistol's muzzle and I admit it He smiled and the boy could not keep from liking him Mr Shepard said Harry what you told me at Montgomery was true We of the South did not realize the numbers power and spirit of the North I know now the truth of what you told me but on the other hand you of the North do not realize the fire courage and devotion of the South I understand it but I'm afraid that not many of our people do so Suppose we call it quits once more Let this be Montgomery over again You do not want to shoot me here any more than I wanted to shoot you down there I admit that also said Harry Then you are safe from me if I'm safe from you Agreed said Harry as he lowered the weapon Good bye said Shepard Good bye But they did not offer to shake hands Each turned his back on the other and when Harry stopped in the bushes he saw only the dim outlines of Washington At midnight he found a colored man who for pay rowed him across the Potomac At dawn he found his horse peacefully grazing in the meadow and at the next dawn he was once more within the southern lines *The Civil War* Joseph A. Altsheler, 2012-12-29 THE GUNS OF BULL RUN THE GUNS OF SHILOH are the first and second novels of a series of eight published under the heading THE CIVIL WAR in four volumes The two principal characters are cousins Harry Kenton a lad who fights on the Southern side and Dick Mason who fights on the Northern side The stories follow their lives throughout the campaigns and battles of the American Civil War between the Northern and Southern states Harry glanced at him He was conscious of a certain cold tenacity in Dick's voice He felt that a veil of antagonism had suddenly been drawn between these two who were the sons of sisters and who had been close comrades all their lives His heart swelled suddenly As if by inspiration he saw ahead long and terrible years The series begins with the First Bull Run and ends at Appomattox with each story focusing on different perspectives as seen by the two sides
