Musical Comedy in America Cecil A. Smith, Glenn Litton, 2013-10-28 First Published in 1987 This is the second edition with an additional foreword The purpose of this book the first to recount the history of the popular musical stage on Broadway and its intersecting streets is to tell what the various entertainments were like how they looked and sounded who was in them and why they made people laugh or cry The values employed in the book are changeable and inconsistent Sometimes an affable smile is bestowed upon a musical comedy burlesque or revue that was really very bad Sometimes a harsh verdict is brought in against an entertainment that received widespread approval and praise **Catalog of**

Patti LuPone Patti LuPone,2010-09-14 The legendary Patti LuPone is one of the theatre s most beloved leading ladies Now she lays it all bare sharing the intimate story of her life both onstage and off through the dizzying highs and darkest lows with the humor and outspokenness that have become her trademarks With nearly 100 photographs and illuminating details about the life of a working actor from inspired costars and demanding directors to her distinct perspective on how she developed and honed her Tony Award winning performances Patti LuPone A Memoir is as inspirational as it is entertaining And though the title might say a memoir this is ultimately a love letter to the

theatre by a unique American artist Raised on Long Island s North Shore Patti discovered her calling at the age of four and knew that she was destined for the stage A prodigiously gifted child she was one of only 36 young actors chosen for the inaugural class of The Juilliard School s Drama Division where she fought near constant criticism from her instructors and here describes those early years with disarming frankness From the heady days of her early twenties crisscrossing the country as a founding member of the classical repertory theatre ensemble The Acting Company to her early success on Broadway her four year stint as Libby Thacher on the television series Life Goes On her loving marriage to Matt Johnston and much much more Patti chronicles her professional and personal life with inimitable candor and wit With its insightful retrospective of her career defining turns both on Broadway and abroad in Evita Les Mis rables Anything Goes Sunset Boulevard Sweeney Todd and Gypsy Patti LuPone A Memoir reveals the artist s deeply felt passion for music and the theatre and is in the end the compelling and quintessential tale of an exceptional life well lived I have been incredibly fortunate over the course of my career to have been associated with some extraordinary dramatic and musical productions and also some rather spectacular disasters Looking back I can find gifts and life lessons in every one Stage Manager Larry Fazio,2017-01-12 Stage Manager the Professional Experience Refreshed takes the reader through all aspects of the craft of stage management in theatre from prompt books and technology to relationships and people management Using interviews with other professional stage managers the author provides a practical experience based guide for students and aspiring professionals alike offering an extensive discussion of what makes a good stage manager and working through the life of a production Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Clum,2014-11-28 Arthur Laurents s career as a playwright screenwriter book writer for musicals and director spanned over half a century His first Broadway play Home of the Brave was produced in 1945 his last play Come Back Come Back Wherever You Are was produced in 2009 when he was ninety one Although he is best known for his work on the classic musicals Gypsy and West Side Story and for his screenplays for Rope The Way We Were and The Turning Point Laurents is the author of seventeen full length plays numerous screenplays and three volumes of memoirs Despite the length and distinction of Laurents s career until now no one has written a full length critical study of his work Laurentss name was associated with a few hit musicals and films but his best work the plays he wrote since 1975 are not as well known One reason is that the economics of the American theatre have changed during the writer s lifetime and Laurents s serious plays were performed Off Broadway or at regional theatres Few were published except in acting editions until a volume of Selected Plays was assembled in 2005 Moreover Laurents s highly controversial volumes of memoirs filled with attacks on people who he felt betrayed him over the years overshadowed his later work Ignoring most his own plays in the memoirs did not help to

maintain his reputation as a serious playwright This book rectifies the absence of a serious examination of all of Laurents s major work This first comprehensive study of Laurents s work focuses on the subjects and themes that recur in his work particularly the interrelated topics of gender politics homosexuality and the dynamics of marriage The position of women and gay men changed greatly over the sixty plus years of Laurents s career and we see those changes reflected in his work particularly in the shifting power dynamics within a marriage Laurents was fascinated by the dynamics of marriage In his plays there is always a tension between love and the difficulty if not impossibility of monogamy In works like *The Enclave* we also see a variety of ways in which gay men try to live proud lives in a heteronormative society In that play and in *Two Lives* Laurents examines how gay men negotiate something like a marriage before gay marriages were legally sanctioned The book also covers the ways in which Laurents s plays reflect his interest in leftist politics from the 1940s through the various liberations of the late 1960s and 1970s Above all the study argues that if there is any common theme running through the plays films and memoirs it is betrayal betrayal of marriage partner friend artistic collaborator and most important betrayal of one s own ideals *The Works of Arthur Laurents* will be of particular interest to students and scholars of American drama musical theatre American film gender studies gay studies and Jewish studies *The Stephen Sondheim Encyclopedia* Rick Pender, 2021-04-15 Praise from Jesse Green New York Times Chief Theater Critic Arts in the 2023 Holiday Gift Guide From A the director George Abbott to Y You Could Drive a Person Crazy *The Stephen Sondheim Encyclopedia* by Rick Pender offers an astonishingly comprehensive look in more than 130 entries at the late master s colleagues songs shows and methods *The Stephen Sondheim Encyclopedia* is a wonderfully detailed and comprehensive reference devoted to musical theater s most prolific and admired composer and lyricist Entries cover Sondheim s numerous collaborators from composers and directors to designers and orchestras key songs such as his Academy Award winner *Soon or Later* *Dick Tracy* and major works including *Assassins Company* *Follies* *Sweeney Todd* and *West Side Story* The encyclopedia also profiles the actors who originated roles and sang Sondheim s songs for the first time including Ethel Merman Angela Lansbury Mandy Patinkin and Bernadette Peters Featuring a detailed biographical entry for Sondheim a chronology of his career a listing of his many awards and discussions of his opinions on movies opera and more this wide ranging resource will attract musical theater enthusiasts again and again *Natalie Wood (Turner Classic Movies)* Manohar Bowman, 2016-10-11 The first family authorized photographic study of Natalie Wood and the first book to examine her glamorous film career as well as her private off screen life as a wife and mother Front jacket flap **The Music and Scripts of "In Dahomey"** Thomas L.
