into the mind of the man who has earned a place among coaching legends like Lombardi, Halas and Paul Brown presenting sides of Belichick that have been previously unexplored. O'Connor discovers how this legendary coach shaped the people he met and worked with in ways perhaps even Belichick himself doesn't know. Those who follow and love pro football know Bill Belichick only as the hooded genius of the Patriots. But there is so much more from the hidden tensions and deep layers to his relationship with Tom Brady to his sometimes frosty dealings with owner Robert Kraft to his ability to earn the unmitigated respect of his players if not their affection. This is a man who has many facets and ultimately has created a notorious football dynasty. Based on exhaustive research and countless interviews, this book circles around Belichick to tell his full story for the first time and presents an incisive portrait of a mastermind at work.

As Eric begins to bite off way more than he can chew everyone around him seems to be falling apart. Eric's best friend LeBaron Brown and his new wife Phoenix are expecting their first child but not without medical complications. Then Eric's indomitable father is hit with a serious illness.
