

The background of the cover features several pieces of Lyman reloading equipment. On the left, there is a long-reach tool, possibly a necking die or a similar sizing tool, with a wooden handle and a metal head. In the center, there is a smaller, more compact tool, possibly a bullet puller or a similar device, also with a wooden handle. On the right, there is a larger, more complex machine, possibly a progressive reloading press, with a wooden base and a metal frame. The equipment is arranged in a way that suggests a progression of tools used in the reloading process.
