ruthless exploitation of workers and natural resources in some of the poorest countries in the world sparked fierce debates. These debates however took place with very few hard facts. China's tradition of secrecy about its aid fueled rumors and speculation making it difficult to gauge the risks and opportunities provided by China's growing embrace. This well timed book by one of the world's leading experts provides the first comprehensive account of China's aid and economic cooperation overseas. Deborah Brautigam tackles the myths and realities explaining what the Chinese are doing how they do it how much aid they give and how it all fits into their going global strategy. Drawing on three decades of experience in China and Africa and hundreds of interviews in Africa China Europe and the US Brautigam shines new light on a topic of great interest. China has ended poverty for hundreds of millions of its own citizens. Will Chinese engagement benefit Africa? Using hard data and a series of vivid stories ranging across agriculture industry natural resources and governance Brautigam's fascinating book provides an answer. It is essential reading for anyone concerned with China's rise and what it might mean for the challenge of ending poverty in Africa.
