Patrick Vinton Kirch addresses a central problem in anthropological archaeology the emergence of archaic states whose distinctive feature was divine kingship Kirch takes as his focus the Hawaiian archipelago commonly regarded as the archetype of a complex chiefdom Integrating anthropology linguistics archaeology traditional history and theory and drawing on significant contributions from his own four decades of research Kirch argues that Hawaiian polities had become states before the time of Captain Cook s voyage 1778 1779 The status of most archaic states is inferred from the archaeological record But Kirch shows that because Hawai i s kingdoms were established relatively recently they could be observed and recorded by Cook and other European voyagers Substantive and provocative this book makes a major contribution to the literature of precontact Hawai i and illuminates Hawai i s importance in the global theory and literature about divine kingship archaic states and sociopolitical evolution

Performing Indigeneity Laura R. Graham,H. Glenn Penny,2014-12-01 This engaging collection of essays discusses the complexities of being indigenous in public spaces Laura R Graham and H Glenn Penny bring together a set of highly recognized junior and senior scholars including indigenous scholars from a variety of fields to provoke critical thinking about the many ways in which individuals and social groups construct and display unique identities around the world The case studies in *Performing Indigeneity* underscore the social historical and immediate contextual factors at play when indigenous people make decisions about when how why and who can be indigenous in public spaces *Performing Indigeneity* invites readers to consider how groups and individuals think about performance and display and focuses attention on the ways that public spheres both indigenous and nonindigenous ones have received these performances The essays demonstrate that performance and display are essential to the creation and persistence of indigeneity while also presenting the conundrum that in many cases indigeneity excludes some of the voices or identities that the category purports to represent

Hawaii Magazine ,2007 *Exploring Multilingual Hawai'i* Scott Saft,2019-03-15 Employing an approach informed by language ecology and linguistic ethnography *Exploring Multilingual Hawai i* examines situated language usage and underlying ideological beliefs to explore and understand Hawai i s multilingualism This book begins with a description of the ideologies that developed as a result of contact with the West and then offers analyses that concentrate specifically on the roles of Hawaiian Pidgin Japanese and the languages of Micronesia and also the occurrence of language mixing in Hawaiian society Scott Saft s discussion and analysis underscore how continued exploration of language usage in Hawai i can contribute to our general understanding of multilingualism as a dynamic phenomenon

Decolonizing Social Work Mel Gray,John Coates,Michael Yellow Bird,Tiani Hetherington,2016-05-13 Riding on the success of *Indigenous Social Work Around the World* this book provides case studies to further scholarship on decolonization a major analytical and activist paradigm among many of the world s Indigenous Peoples including educators tribal leaders activists scholars politicians and citizens at the grassroots level *Decolonization* seeks to weaken the effects of colonialism and create opportunities to promote traditional practices in contemporary settings

Establishing language and cultural programs honouring land claims teaching Indigenous history science and ways of knowing self esteem programs celebrating ceremonies restoring traditional parenting approaches tribal rites of passage traditional foods and helping and healing using tribal approaches are central to decolonization These insights are brought to the arena of international social work still dominated by western based approaches Decolonization draws attention to the effects of globalization and the universalization of education methods of practice and international development that fail to embrace and recognize local knowledges and methods In this volume Indigenous and non Indigenous social work scholars examine local cultures beliefs values and practices as central to decolonization Supported by a growing interest in spirituality and ecological awareness in international social work they interrogate trends issues and debates in Indigenous social work theory practice methods and education models including a section on Indigenous research approaches The diversity of perspectives decolonizing methodologies and the shared struggle to provide effective professional social work interventions is reflected in the international nature of the subject matter and in the mix of contributors who write from their contexts in different countries and cultures including Australia Canada Cuba Japan Jordan Mexico New Zealand South Africa and the USA
