Lucas Cranach Richard Muther

Bonnie Noble

Lucas Cranach Richard Muther:

Lucas Cranach the Elder Bonnie Noble, 2009-03-16 Lucas Cranach the Elder 1472 1553 is the most influential painter of the German Reformation In collaboration with Martin Luther 1483 1546 Cranach produced innovative paintings which made the complex ideas of Lutheran Christianity understandable to a wide range of viewers and inspired later generations of artists Despite Cranach s crucial role as an interpreter of Lutheran ideas his Reformation paintings remain unfamiliar to many American scholars Lucas Cranach the Elder Art and Devotion of the German Reformation presents Cranach s Reformation painting to a broader audience and explains the pictorial strategies Cranach devised to clarify and interpret Lutheran thought For specialists in Reformation history this study offers an interpretation of Cranach s art as an agent of religious change For historians and students of Renaissance art this study explores the defining work of a major sixteenth century artist The broad implications of the Reformation and Cranach s role in transforming religious art make this study suitable for readers with a general interest in history religion or art history *The National Union Catalog, Pre-1956 Imprints* Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1975 New York Kremper Ende, 1909 *The Serpent and the Lamb* Steven Ozment, 2012-01-03 This compelling book retells and revises the story of the German Renaissance and Reformation through the lives of two controversial men of the sixteenth century the Saxon court painter Lucas Cranach the Serpent and the Wittenberg monk turned reformer Martin Luther the Lamb Contemporaries and friends each was godfather to the other s children Cranach and Luther were very different Germans yet their collaborative successes merged art and religion into a revolutionary force that became the Protestant Reformation Steven Ozment an internationally recognized historian of the Reformation era reprises the lives and works of Cranach 1472 1553 and Luther 1483 1546 in this generously illustrated book He contends that Cranach s new art and Luther s oratory released a barrage of criticism upon the Vatican the force of which secured a new freedom of faith and pluralism of religion in the Western world Between Luther s pulpit praise of the sex drive within the divine estate of marriage and Cranach s parade of strong lithe women a new romantic familial consciousness was born The Cranach woman and the Lutheran household both products of the merged Renaissance and Reformation worlds evoked a new organization of society and foretold a new direction for Germany **Report** Vermont.
