THE DARK SIDE OF LEADERSHIP Dr Tessie Herbst,2014 This book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership Modern psychology with its theories of human behavior which does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership This book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment It highlights an area that has not been exclusively studied by leadership researchers to date the influence of spiritual forces in personality disorders which lead to leadership failure and derailment This book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership inseparably relating body soul and spirit as they function individually and relationally It highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions This book provides solid information and new insights for anyone seeking to understand the dark side of leadership

Chaos Fallen Gloria N. Cassum,2008-11 After the ravages of the Great Civil War in heaven God replaces both the dead and Fallen to fill the vacancies their duties demand These replacements are slightly modified to ensure revolution would not

occur again Viziel is the first reborn suspected by many to be a close replica of Lucifer himself and thus a horrific danger to all of heaven His assigned duties are withheld from him until he bow before the very throne of God an allowance granted only to the most honorable of God s servants or most vicious of traitors Before God s throne he is named the Angel of Chaos Unfortunately because chaos naturally opposes God s providential order God has no choice but to command Viziel s betrayal If Viziel refuses the order he is treacherous if he obeys a traitor nonetheless The commandment is a paradox which cannot be defied Due to his unavoidable transgression Viziel is sentenced to execution so as not to feed Lucifer with new recruits In his imprisonment before a formal facade of a trial a superior informs Viziel that his execution is meant as a symbolic victory to God as overcoming his chaotic forces Viziel s execution does not end in death but reincarnation where he will again be reformed assigned as Angel of Chaos and executed for his natural defiance once more This damned reincarnation is eternal God imposes this perpetual punishment to reinforce his never ending control over chaos and secure the safety of his providential design as well as all the beings within it especially His most prized humanity Viziel as Angel of Chaos however has a unique power to invoke discord As a result his execution goes horribly wrong Chaos is unleashed to fulfill his own agenda This is the story of the beginning of his revenge

Understanding the Book of Revelation: The Mystery of the Book of Revelation is Finally Revealed Ph. D. Donald E. Mbosowo, Professor Donald E. Mbosowo, 2010-09 This book is about the truth revealed from the mystery hidden in the Book of Revelation The Book of Revelation is about the missing information revealed to John because there was no record in the Bible about what happened to the perfect creation in Genesis 1 1 There was no record about Adam created by the I AM as the first God and his generations before this present world The Bible has not recorded the lineage of Jesus from the I AM in order to present to the world who is Jesus This is the truth that must be known The Book of Revelation had been misunderstood because of the political interpretation of its images In John 8 32 Jesus says And you shall know the truth and the truth shall make you free Here the truth refers to Jesus who has power to set humanity free from the bondage of the God of this world Jesus declares in John 14 6 that He is the Truth After the gospel had been preached for thousands of years humanity is still in captivity of the God of this world Many people keep asking why a good God can allow these types of suffering This shows that Jesus the Truth is not yet known Confessing Jesus as a Savior is different from knowing Him This has been done for thousands of years and the world is getting worst When Jesus the Truth is known He will set humanity free from this spiritual enslavement The revealed truth from the mystery in the Book of Revelation presented here is a divine journey toward knowing Jesus the Truth I encourage everyone to read this book

Character Treatment in the Mediaeval Drama ... Timothy J. Crowley, 1907

The Sphere of Influence Edward Hendrie, 2019-07-07 This book is a sequel to The Greatest Lie on Earth Expanded Edition Proof That Our World Is Not a Moving Globe It will primarily focus on the infiltration into the church of the superstitious myth of heliocentrism and how that infiltration has served to undermine the gospel The

gospel is the entire Holy Bible not just some of it Matthew 4 4 Christian belief is an all or nothing proposition All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Timothy 3 16 God s account of his creation is part and parcel of the gospel A person with genuine faith believes what Jesus said about both heavenly and earthly things If I have told you earthly things and ye believe not how shall ye believe if I tell you of heavenly things John 3 12 Jesus is God Jesus created all things in heaven and on earth See Colossians 1 16 18 God has revealed himself through his creation T hat which may be known of God is manifest in them for God hath shewed it unto them For the invisible things of him from the creation of the world are clearly seen being understood by the things that are made even his eternal power and Godhead so that they are without excuse Romans 1 19 20 If men have a misunderstanding of God s creation they will also have a misunderstanding of who God is If people believe in a creation that does not exist they consequently also believe in a creator that does not exist It is essential therefore to have an accurate understanding of God s creation God did not make a movable spherical earth If men believe in a heliocentric creation they will necessarily believe in a heliocentric creator A heliocentric creation does not exist So also a heliocentric creator does not exist A heliocentric creator is a false god We have been warned to avoid the preaching of a false gospel which presents a false Jesus For if he that cometh preacheth another Jesus whom we have not preached or if ye receive another spirit which ye have not received or another gospel which ye have not accepted ye might well bear with him 2 Corinthians 11 4 Revelations of the Fallen D. E. Phoenix, 2012-10 Revelation of the fall The Blasphemy of Astrial Belthromoto The name of the book is called Revelation of the Fallen The Blasphemy of Astrial Belthromoto The story begins at the end of creation the end of our lives in this universe and the destruction of them by a being called Eversor The main character Astrial is a fallen angel telling the story from his perspective beyond the creation of this universe and into a reality where the a Creator of all Creator resides He was the angel of intelligence and the most high scribe before he fell himself He takes you through his torment by Evil and how he is forced to chose between these world that he doesn t really belong to He shares insight into how evil was born and most importantly how everything we think we know about good and evil is really motivated by agendas He introduces you to the four Eternals that have a lot to with how this story plays out He then gives you insight into the war in heaven the fall of the angels and how a small decision by a being led to this obsession with man He gives you the history of the earth and the makers of mankind and their civilizations that still exist today He leads you out of the garden of Eden and shows you the very rocky relationship between Adam and eve Astrial finally leads you into the final wars of mankind when there was ordered a mass exodus from this planet leaving us totally alone From Wall Street to Main Street Reginald F. Davis, 2013-10-24 From Wall Street to Main Street the moral toxicity in our country is alarming There are frightening signs that America is on the same path to destruction as the Roman Empire was before its fall Since America has embraced secular progressivism and redefined its traditional spiritual values our nation has greatly declined History points to the judgment of God that came upon

nations for their moral toxicity Unless America repents returns to God reorders its priorities and sets its financial house in order future generations will ask Why has the mighty fallen America needs to heed Abraham Lincoln who said America will never be destroyed from the outside If we falter and lose our freedom it will be because we destroyed ourselves from within From Wall Street to Main Street is a trumpet blast not only to alert Americans to our spiritual and moral decline but also to encourage our citizens to save this great republic Our struggle is not merely social economic and political it is spiritual There is hope and this hope is in the struggle to make God justice and morality central in our nation once again
