Christ in You... God's Manifest Presence in the World Today Douglas Sullivan, 2017-07-12 God s holy presence may have eluded you but He truly wants for you to experience his glory Christ in You God s Manifest Presence in the World Today offers a comprehensive study of God s interaction with mankind through the ages Dr Sullivan s ability to express biblical theology in creative and insightful ways is refreshing Doug skillfully traces God s glorious presence through the Bible and shows how our loving Father reveals Himself to ordinary people impacting their lives and affecting others around them and even the places where these encounters occur He desires that all believers powerfully embrace the holy presence of the Father in a personal and life changing encounter just as the patriarchs of old experienced Believers in our post modern culture must resist contentment with stories and memories of past relationships with God and intentionally

press forward into His manifest presence which empowers Christians to make a difference right where God places them in the workplace marketplace and communities where we live our lives He examines the biblical foundation for developing the necessary understanding of the true incarnational ministry impact of spirit filled Christians in marketplace outreaches and he provides hope for believers in the world today by showing that as they develop a true relationship with the LORD God s revealed glory in them also transforms individuals in their communities People find the evidence of God s manifest presence in relationships God connects individually with humans and then impacts His people through these personal interactions Understand God s presence as you have never understood it before Christ in You God s Manifest Presence in the World Today facilitates incarnational transformation in your life as you allow the holy presence of the Father to impact you as the power of the Holy Spirit changes you just like Abraham Moses David Paul and countless others **Peter and Paul in Acts: A**

Comparison of Their Ministries David Spell,2006-08-01 Acts is arguably the most exciting book in the New Testament It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire Luke tells this story by focusing primarily on two men Peter and Paul This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles Their apostolic ministries are examined in the context of several different components Leadership Evangelism and Church Planting Miracle Working and Healing and Mystical or Supernatural Experiences These categories are shown to detail particular aspects of each man s apostleship work These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke Spell also devotes a chapter each to Luke s literary method and the relationship of Peter and Paul as seen in their letters These two chapters lay important groundwork for examining the apostles This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry By looking at how Peter and Paul conducted their ministries in the first century we can be more effective in the twenty first **NIVAC Bundle 6: Gospels, Acts** Michael J. Wilkins,David E. Garland,Darrell L. Bock,Gary M. Burge,Ajith Fernando,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **Compassionate Justice**

Christopher D. Marshall,2012-08-01 Two parables that have become firmly lodged in popular consciousness and affection are the parable of the Good Samaritan and the parable of the Prodigal Son These simple but subversive tales have had a significant impact historically on shaping the spiritual aesthetic moral and legal traditions of Western civilization and their capacity to inform debate on a wide range of moral and social issues remains as potent today as ever Noting that both stories deal with episodes of serious interpersonal offending and both recount restorative responses on the part of the leading characters Compassionate Justice draws on the insights of restorative justice theory legal philosophy and social psychology to offer a fresh reading of these two great parables It also provides a compelling analysis of how the priorities commended by the parables are pertinent to the criminal justice system today The parables teach that the conscientious cultivation of compassion is essential to achieving true justice Restorative justice strategies this book argues provide a promising and practical means of attaining to this goal of reconciling justice with compassion **Knowing God through Journey and Pilgrimage**

Seung Yeal Lee,2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching Biblical Greek Exegesis

George H. Guthrie,J. Scott Duvall,1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach Intimate Marriage Leader's Guide Dan B. participant s guide will help you get the most out of The Prayers of Jesus both in your group and in applying what you learn to your life And You Shall Be My Witnesses Robert Kelvin Gee,2022-08-08 Confusion false doctrine and sheer foolishness continue to overwhelm the evangelical church especially in the United States of America and in Europe It is important that Christians and local churches get back to basics which means discovering how to live as followers of Christ and spread the Word Robert Kelvin Gee suggests that the best way to do this is to study how they did church at the very beginning The Acts of the Apostles shows us this so clearly This book will take you verse by verse through the first twelve chapters of Acts using a question and answer format to reveal how the church was born how it grew and how believers can ensure it stays on track Get answers to questions such as Why were the disciples commanded to stay in Jerusalem What is the purpose of the Holy Spirit s baptism Did Jesus ascend from the Mount of Olives or from Bethany And were there angels present or not Learn about the early church ignite your faith and spread the Word with the lessons and insights in this book
