Luna Tree Project Maya Berger:

Luna Tree Maya Berger, 2015-12-16 Maya is kicking up her heels living the fabulous and mostly carefree life of a twenty something young woman However always in the back of her mind was a longing for marriage and family How do you find the right man the guy who would be there for you in good times and bad How can you know if a man you are attracted to will be a good provider Maya had to kiss a few frogs before finding her Prince Charming however new challenges were presented Chronic pain that did not allow Maya to sit or stand without extreme discomfort ruled her life Thus began her relentless quest for a diagnosis and healing After many sessions with various practitioners and physicians Maya discovers Energy healing and travels the globe to get treatments and raise her own stored Energy which changes everything Seeing and feeling the healing and all that would be restored in her life shifted Maya from being an empathetic reservoir to a free and joyful young woman with healthy boundaries and in the end her ultimate desires come true
