WITHOUT SPENDING A DIME Remember Paulo Coelho s The Alchemist Could it be setting a Guinness World Record if it
had not sold more than 65 million copies in 67 different languages Would you be aware of The Bible if it were not translated
from Hebrew in which it was originally written to first Greek then into Latin and now into more than 450 different languages
History has proven the power of the written word but translations of those powerful works can be equally significant So if

That would make this venture a doomed effort ab initio won t it And if you are a newbie struggling unknown author then this
totally unaffordable and expensive route is definitely NOT for you There is another problem You may not be able to reach

someone less established how do you ensure that the translation is of a good quality Quite a Catch 22 situation isn t it That s
