How To Make Sure Your Money Lasts As Long As You Do:

How to Make Your Money Last as Long as You Do Margaret Lomas, 2012-01-04 Margaret Lomas explodes the common myth that you need to be debt free and have a high income in order to invest. How to Make Your Money Last as Long as You Do explains the pros and cons of property investment, how to put yourself in a position to be able to invest, and why and how to invest in positive cash flow property. *How to Make Your Money Last - Completely Updated for Planning Today* Jane Bryant Quinn, 2020-01-07 NOW COMPLETELY UPDATED to reflect the changes in tax legislation, health insurance, and the new investment realities. In this highly valuable resource, Publishers Weekly starred review, Quinn provides simple, straightforward, The New York Times solutions to the universal retirement dilemma: how to make your limited savings last for life, covering mortgages, social security, income investing, annuities, and more. Will you run out of money in your older age? That's the biggest worry for people newly retired or planning to retire. Fortunately, you don't have to plan in the dark. Jane Bryant Quinn tells you how to squeeze a higher income from all your assets, including your social security account; get every dollar you're entitled to; a pension; discover whether a lump sum or a lifetime monthly income will pay you more; your home equity; sell; rent; or take a reverse mortgage; savings; how to use them safely to raise your monthly income; retirement accounts; invest the money for growth in ways that let you sleep at night; and critically, how much of your savings you can afford to spend every year without running out. There are easy ways to figure all this out. Who knew? Quinn also shows you how to evaluate your real risks. If you stick with super safe investment choices, your money might not last, and your lifestyle might erode. The same might be true if you rely on traditional income investments. Quinn rethinks the meaning of income investing by combining reliable cash flow during the early years of your retirement with low risk growth investments to provide extra money for your later years. Odds are you'll live longer than you might imagine, meaning that your savings will stretch for many more years than you might have planned for. With the help of this book, you can turn those retirement funds into a homemade paycheck that will last for life. *How to Make Your Money Last* Jane Bryant Quinn, 2016-01-05 NOW COMPLETELY UPDATED to reflect the changes in tax legislation, health insurance, and the new investment realities.
