Control and Subversion Colette Harris, 2004-03-20

Control and Subversion investigates the relationship of gender to the inner workings of social control such as exposing ways in which post Soviet Tajikistan society threatens men's masculinity thereby bringing them to force family members into conformity irrespective of the suffering this may cause. Told through ethnographically collected life histories the book examines how masculine and feminine gender characteristics influence personal relationships and explores gender relations at their most intimate from the secret musings of adolescent girls through the painful experiences of young men to the trauma of sexual initiation. Although largely concentrating on contemporary life the book also discusses historical materials and Soviet influence on Tajik society. Control and Subversion is essential reading for anyone interested in Central Asia Muslim societies the lives of Muslim women or gender in a Muslim context.

appreciate in this empowering intimacy book **How to Get Out of Your Own Way** Tyrese Gibson, 2011-04-07 Actor singer songwriter Tyrese Gibson crafts a memoir filled with every emotion and life experience one could possibly imagine With personal experiences paired with reflective questions based on his extremely popular blog piece *The Love Circle* Tyrese hopes to inspire readers to pursue their dreams and not let life's obstacles stand in the way *How to Get Out of Your Own Way* is organized into a series of fundamental questions that helped Tyrese redefine who he was as a human being and evolve into a new man Tyrese stresses that life becomes infinitely richer when one takes the time to know him or herself and understand the true meaning of peace and fulfillment This book is a guide to helping yourself using his experiences as a learning tool It's not about talking down to people it's about elevating them Tyrese says Some of Tyrese's chapter-based questions include How much do you love yourself How much do you want for yourself Why do men cheat What is your bottom line Are you ready for the next level Quotes and Reviews Tyrese wholeheartedly shares his life experiences and how he discovered a new road map of conscious compassion and love to define his true potential Deepak Chopra author of *The Soul of Leadership* *How to Get Out of Your Own Way* is a triumph Tyrese will shock and amaze you with how he overcame the odds and became a superstar This star of the *Transformers* sequel will show you how to transform your life in this amazingly candid book *Rev Run* I've watched Tyrese for many years I've watched him succeed I've watched him fail I've seen him as a beneficiary of serendipity and I've watched him suffer at his own hand And in the recent years as we've become friends I've witnessed Tyrese Gibson learn how to get out of his own way as he wrestled his destiny from the fickle hands of fate Will Smith [The Perplexity of a Muslim Woman](#) Olfa Youssef, 2017-03-08 Using the methodology of modern scholars in the fields of Arabic lexicography linguistics and psychoanalysis Tunisian feminist scholar Olfa Youssef investigates the rulings about inheritance marriage and homosexuality in the Qur'anic text itself and compares them with the interpretations provided by male Muslim theologians and legal scholars from medieval times to the present In this book she makes five central arguments 1 There is a discrepancy between the layered signification in the Qur'anic text itself and the sutured explanations by religious scholars which have been enacted into law in many Muslim countries today 2 the plurality of meanings is the quintessential essence of the Qur'an as evidenced in the absence of any sura over which there was unanimous agreement among Muslim scholars 3 when male privilege was at stake male legal scholars to protect their own interests ignored the divine text and based their rulings on human consensus 4 Muslim medieval views on gender and homosexuality were more tolerant than contemporary ones and finally 5 preferring indetermination and perplexity over the finality and certainties found in the judgements of male theologians Youssef argues that only God knows the Qur'an's true meaning Her job as a Muslim female scholar is only to raise questions over those human interpretations that many Muslim societies mistake for divine will *Redeemed Sexuality* Tim Konzen, Dr. Jennifer Konzen, 2019-03-12 You are a sexual person Whether you are single or married a teenager or an older single adult God created you as a sexual person So how do we inhabit our sexuality in a way that brings honor to God

And what exactly is sexuality Is it just sexual intercourse Or is it perhaps something much greater God created them male and female From the moment of our conception we are born in this act of creation as a sexual being God s creation was the work of a master artist It is vital that we discover both the artwork and the artist God intended for sex to be a wonderful good When someone allows God to guide them in how they engage in sex it can be However sometimes sexuality has become a source of shame guilt pain confusion frustration and sorrow Sexual challenges can come from the choices we make from the things that others do against us and from the ways in which Satan has inundated the world with a tsunami of destructive words and images about sex Those challenges can also come from the lack of being able to talk openly about sex Perhaps you want to lead a life of sexual purity but you are finding it hard to find solid biblical answers to some of the very real questions you have You may feel like you ve tried to bring up these things with those involved in your life but that you often receive the same old trite and empty arguments about purity Just wait or Just repent or God has a plan Be patient So how do we reconcile God s intricate and amazing plan for sex with the devastation destruction and frustration that sex outside of His plan can cause How can we pursue purity and honor sexuality at the same time What exactly is God s plan for sexuality for those who are not married Redeeming Sexuality answers many of these and other questions that singles teens and parents ask the authors in their conferences and sessions including What is God s plan for sex How should single working professionals college students teens and all other unmarried individuals understand their sexuality in light of God s plan What is allowed and how far is too far How can we have healthy intimate connections with others What is purity and how do we deal with temptation when it is so hard to escape How do we work through the damage and pain that is already done How can parents effectively communicate with their kids about sex This comprehensive guide strives to bring clarity and understanding to topics that many Christians have trouble discussing Journey with us as we discover a vibrant understanding of God s plan for redeemed sexuality *A Woman's Guide to Overcoming Sexual Fear and Pain* Aurelie Jones Goodwin, Marc E. Tejirian, 2016-06-10 At the time of publication our understanding of sexuality relied heavily on biology and also on morality as was particularly evident when homosexuality and bisexuality were discussed In this title originally published in 1990 the author presents a compelling case for viewing the sexual dimension of life through an

understanding of its symbols The potent figure of the devil serves as his avenue of approach In the first part of the book the author presents a detailed case history of a young man who began psychoanalytic therapy with him because of a terrifying conviction that he could be possessed by the devil In the course of therapy it emerged that the devil had entered into his consciousness as a vehicle to express a complex of homosexual wishes and fears that were deeply troubling to a man whose life history had been entirely heterosexual The author argues that the assumptions about male psychology that came to pervade psychoanalytic theory after Freud's death could not account for the nature of this young man's conflicts or for the outcome of the analysis In the second part of the book the author cites historical and anthropological data to demonstrate that the depth and breadth of male psychology extend beyond the limits of what was considered normal by the neoconservative theorists who revised Freud's theories to exclude his ideas about bisexuality Rejecting the reduction of sexuality to biology the author asserts that sexuality can be properly regarded as symbolic in the same way that meaningful works of art and rituals are symbolic The power of sexual images and actions comes from their ability to combine important meaning with intensely felt emotion Finally the author examines the way in which culture affects sexuality through its control of consciousness and its influence on what kinds of sexual symbols may be utilized and what kinds of meanings they may express
