Michael Bush, 2018-04-10 To satisfy a woman on bed especially for those with a small penis might be quite difficult if you don't understand the basics behind making a woman orgasm Before writing this masterpiece I spoke to more than 500 women who have experienced orgasm The statistics are written below 51% said that they anticipated the sex so badly that they climaxed few minutes after the man started thrusting 30% said that the man started out with a fantastic foreplay and hit the right spots when he started thrusting 19% said that they had no idea what the man did but the sex was wonderful The question is where exactly is the right spot If you know about the G spot but have no idea how to hit it right during sex then there is a problem This book will show you exactly how you can make a woman anticipate sex so bad that you would have a field day getting her to climax The right way to go about foreplay thrusting and making her climax even when you have a small penis How to satisfy a woman is simple if you can just read this book Sex positions are not imperative when it comes to pleasing a woman on the bed It is all in a woman's head How to Please A Woman Jeff Gaine, 2004 *How To Please A Woman* instructs all men about how to understand appreciate to understand themselves better what they should expect

Women, Pleasure and the Gambling Experience Emma Casey, 2016-02-17 Drawing on a broad range of historical and sociological literature this book traces the everyday gambling experiences of a diverse group of women It provides

fascinating and original insights into the pleasures afforded to women through their gambling participation and draws on a variety of feminist literature to understand women's motivations and experience of play and to examine the ways in which women negotiate their right to gamble without reprimand. Since gambling tends to be framed within moral discourses of danger and excess, this book offers a defence of women's decisions to gamble against an often hostile backdrop. It rewrites claims that gambling is meaningless and reckless spending by pointing instead to the highly complex strategies that women who gamble employ. Importantly, it adds to contemporary feminist debates about women's leisure by showing how women seize control of their lives in order to carve out a time and space for the pursuit of pleasure.

The Art of Female Pleasure
Gabrielle Cerise, 2007-04-01

Want to Really Satisfy a Woman? Then read on. Based on empirical evidence, women in same-sex encounters report more pleasure and satisfaction. According to the groundbreaking Shere Hite report on Female Sexuality, described as one of the 100 key books of our time by the Times, 52% of women in the UK ALWAYS orgasm when with a woman. In Australia and New Zealand, that's even higher: 60% and 61% respectively. Furthermore, when asked "are you curious or would you like to try a sexual relationship with a woman," 71% of UK women said yes. And in Australia and New Zealand, it's 78% and 80%. Furthermore, ancient texts advocate the immense sexual potential of women: in fact, in 15AD, a spiritual leader in the East declared that when God was giving out sexual desire, one-tenth went to men and a whopping nine-tenths went to women. Through it all, one truth has remained: women inherently know how to please and satisfy women in a way that until now has received little recognition. The Kama Sutra, Ananga Ranga, The Perfumed Garden, and The Tao have all touched upon these areas, but none have fully explored the process and learning to be gained by women who love women. Intense desire coupled with a not-so-fulfilling bedroom life means a tide of sexual frustration sweeping many women. However, the situation is not as bleak as it seems. In discussions with numerous bisexual and lesbian women, a number of factors have been isolated which may hold the key to bringing pleasure and satisfaction to many women.

Develop a great appreciation of your partner's body. Large, small, simply show your appreciation in words or touch; make her feel truly admired. Facilitate relaxation. In other words, take the time to relax the lady in your life: talk, give her a massage, rub her hands, play some music. Remember, relaxation precedes arousal; therefore, the more relaxed the lady, the greater will be her arousal and response to your touch. Increase your foreplay repertoire. For many couples, there seems to be a degree of focus on two strategic points. By expanding your vision to include often neglected areas such as the neck, back, forehead, eyes, hips, hands, you will be able to provide greater stimulation to her body and increase arousal. Just make sure you keep this up for at least 20-30 minutes to create the desired effect.

Holistic seduction. Vary the stimulation when seducing your love object. Find out her likes and dislikes, interests, hobbies, and talk about them. Make her really feel listened to. Now use your body language, words, questions, and atmosphere to create the seduction. Your body language should be open and relaxed; your words gentle and pleasing to the mind; the tone of your voice deep, gentle, and steady. Slowly steer your line of questioning to sensual topics, i.e. her favorite food types, of

massage she likes the forms of art she admires This will stimulate her inherent sensuality Holistic lovemaking involve her mind body and soul The central idea here is to fundamentally create a sense of connection By creating this feeling you will be involving her mind body and soul in the process and thereby increase her response to you and her pleasure Tantric exercise such as simply looking into each other s eyes creates an intense bond and fires neurons in the brain responsible for making us feel grounded protected and valued Lye face to face or sit face to face and simply gaze into each other s eyes A variation of this is to sit lie or stand face to face with eyes closed and foreheads touching and simply feel the connection Once you are familiar with these exercises try co ordinating your breathing to create an even greater feeling of connection Discover her body find out her preferences Is she a G Spot or clitoral woman Taylor you positions to give her her favorite stimulation As a general rule positions which stimulate the clitoris are usually face to face and those tha
