How To Pleasure A Woman When She Has Her Period:

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

A Comparative Study of R. K. Narayan and Arundhati Roy: Linguistic and Literary Aspects N. Prasanna Lakshmi, 2020-11-23 Broadly speaking Indian English IE is that variety of English used by a large number of educated Indians as a second language Kachru 1983 used the term Indian English for the variety of English used generally in the South Asian countries David Crystal 2003 observes that in India the numbers of English speakers outrank the combined number of speakers in USA and UK A considerable body of creative writing is also produced in English and is increasing steadily Writers like Mulk Raj Anand R K Narayan and Raja Rao and Arundhati Roy have become part of India's literary tradition and they may continue to hold their status in world literature too The use of Indian English in different domains in interaction with other regional languages has resulted in its development and recognition as a distinct variety in its own right It is an attempt to study the styles of two of the prominent writers of Indian English namely R K Narayan and Arundhati Roy by examining the different linguistic and literary aspects as reflected in their selected fictions R K Narayan's *Swami and Friends* SF and *The Guide* TG and Arundhati Roy's *The God of Small Things* GST An examination of selected fictions of the two writers of this study has shown that stylistic analysis can be a rich field of enquiry in Indian English Studies of the present kind can be used as a source material for applied linguistics They can be extended for a comparative study of stylistic traits of Indian writers and non Indian writers The study suggests the possibility of further research in comparative stylistic studies in Indian English fiction on the one hand and American British or Australian fiction on the other Our comparison of the two writers one of the colonial period and the other belonging to the post colonial period suggests that a more extensive stylistic study of Indian writing in English is called for to understand the changing phases of English in the socio cultural ethos of the Indian society The book is organized as follows Chapter I is an introduction to Indian

English its importance and the objective of the research Chapter II deals with review of literature on Indian English as well as stylistic studies in Indian English fiction Chapter III is concerned with a brief introduction to the texts chosen for study Chapter IV discusses the methodology adopted in the study Chapter V deals with the results of the study and makes a comparison between the two authors styles Chapter VI consists of a summary of the research and concludes with suggestions regarding further research needs
