Sex, Feminism and Lesbian Desire in Women's Magazines Kate Farhall, 2020-09-14 This book examines evolving pop

culture representations of sex and relationships from the 1970s onwards to demonstrate parallels between the strength of the feminist movement and positive portrayals of women's sexuality. In charting changes in the sex and relationship content of women's magazines over time, this analysis reveals that despite surface level changes in sexual and relationship content, the underlying paradigm of hetero monogamy remains unchanged. Despite a seemingly more diverse empowered and liberated sexuality for women in contemporary magazines, in reality such feminist rhetoric masks an enduring model of sexuality which rests on women's sexual and emotional maintenance of male partners and their own self objectification and self surveillance. Where substantive changes can be identified, they rise and fall in tandem with feminism. By demonstrating this empirical relationship between cultural products and feminism, organising the book validates an assumption that has rarely been tested: that a feminist social milieu improves cultural narratives about sexuality for women. *Sex, Feminism and Lesbian Desire* builds on ground breaking feminist texts such as Susan Faludi's *Backlash* to present an empirically focused comprehensive study interrogating changes in content over the lifetime of women's magazines. By charting the representation of sex and relationships in two women's magazines, *Cosmopolitan* and *Cleo*, since the 1970s through an analysis of over 6,500 magazine pages and 1,500 articles, this timely work interrogates and ultimately complicates the apparent linear progression of feminism. This book is suitable for researchers and students in women's and gender studies, queer studies, LGBT studies, media studies, cultural studies and sociology.

Aesthetic Pleasure in Twentieth-Century Women's Food Writing Alice McLean, 2012-05-22. This book explores the aesthetic pleasures of eating and writing in the lives of M. F. K. Fisher (1908-1992), Alice B. Toklas (1877-1967) and Elizabeth David (1913-1992). Growing up during a time when women's food writing was largely limited to the domestic cookbook, which helped to codify the guidelines of middle class domesticity, Fisher, Toklas and David claimed the pleasures of gastronomy previously reserved for men. Articulating a language through which female desire is artfully and publicly sated, Fisher, Toklas and David expanded women's food writing beyond the domestic realm by pioneering forms of self-expression that celebrate female appetite for pleasure and for culinary adventure. In so doing, they illuminate the power of genre-bending food writing to transgress and reconfigure conventional gender ideologies. For these women, food encouraged a sensory engagement with their environment and a physical receptivity toward pleasure that engendered their creative aesthetic.

Plum's Pleasure Gehla S. Knight, 2007-11. Can virtue be found in a turn of the century bordello? Can a frontier teacher stand idly by as the Shoshone culture is subsumed by Anglo missionaries? Can a suburban lawyer justify that his casual dalliances don't amount to infidelity? From the opulent parlor of an 1898 Seattle bordello to a Portland law firm in 1989, each heroine, hero and villain in this memorable collection of short stories is captured at a crossroads in life. They are ordinary people: brave, timid, foolhardy, modest, brazen and often self-sacrificing. And they struggle with the budding concerns of their time: women's suffrage, chauvinistic double standards, prejudice, misogyny and the loneliness of separation brought on by war. Gehla S. Knight deftly explores these issues without reserve, placing her characters

in crisis situations where they must act despite the murkiness of what's right and what's wrong. In small but powerful ways their choices challenge the prevailing views of their time and blaze new trails that those who follow can easily travel. Juxtaposing society's often ill-conceived mores with individual will and desire, Knight deftly combines historical settings with colloquial dialogue and vivid characters. Spanning nearly a century of American history, Plum's Pleasure is a satisfying collection that will tantalize both your senses and sensibilities. *Human Sexuality and its Problems* John

TV Snapshots Lynn Spigel, 2022-04-08 In TV Snapshots Lynn Spigel explores snapshots of people posing in front of their television sets in the 1950s through the early 1970s Like today's selfies TV snapshots were a popular photographic practice through which people visualized their lives in an increasingly mediated culture Drawing on her collection of over 5 000 TV snapshots Spigel shows that people did not just watch TV women used the TV set as a backdrop for fashion and glamour poses people dressed in drag in front of the screen and in pinup poses people even turned the TV setting into a space for erotic display While the television industry promoted on screen images of white nuclear families in suburban homes the snapshots depict a broad range of people across racial ethnic and class backgrounds that do not always conform to the reigning middle class nuclear family ideal Showing how the television set became a central presence in the home that exceeded its mass entertainment function Spigel highlights how TV snapshots complicate understandings of the significance of television in everyday life
